DIRECT EXAMINATION CONTINUED

BY MR. PARKER:

- 11 Q. Mr. Delledonne, on Friday we left off talking a little bit
- 12 about the background of Remi and of the management group at
- 13 Remi.
- 14 Did you know a gentleman by the name of Brett Lockard?
- 15 Α. Yes.
- 16 Who is Brett Lockard?
- 17 Brett Lockard was assistant manager for a few months after
- 18 we took the place over, in 2005.
- And as assistant manager, what were his job duties while he 19
- 20 worked at Remi?
- 21 A. He used to come in for lunch and for dinner and make sure
- 22 everything was OK in the dining room, walking through the
- 23 table, and basically he was doing what Mr. Pistorio also was
- 24 doing and just making sure all the customers were properly
- 25 served. And he has closing duty; sometime he was closing the

- restaurant after service, other time he was opening the 1 restaurant after the service. 2
- 3 Did Mr. Lockard wait tables?
- No, he didn't. 4 Α.
- 5 Did he share in the tip pool?
- No. 6 Α.
- 7 After Mr. Lockard left, was he replaced by anyone?
- 8 Α. No.
- 9 Why not? Q.
- 10 Because his job is not required anymore, because
- 11 Mr. Pistorio was taking care of the managing function; he was
- 12 there all the time, lunch and dinner, six, seven days a week
- 13 sometimes.
- 14 Since Mr. Lockard left Remi, has Remi refilled the
- 15 assistant manager position?
- 16 Α. No.
- 17 With regard to Mr. Pistorio, you said on Friday that he was
- 18 the general manager, right?
- 19 Α. Yes.
- 20 Did he report to you as the general manager?
- 21 Α. Yes.
- 22 What were your expectations of him as general manager, in
- 23 terms of consulting with you?
- 24 I had no expectation, because Mr. Pistorio is a
- 25 55-years-old man, he has 35 years of experience in his job.

- But my relationship with him was more professional; if he had 1
- 2 any problem and he felt like talking to me, he could talk to
- 3 me, but I don't recall any input in his management way,
- 4 assistant -- management way to manage the restaurant. Sorry
- 5 about that; it's a little bit confused.
- 6 After Mr. Pistorio came in to Remi as general manager, did
- 7 he hire any management employees to work in the restaurant?
- 8 Α. No.
- 9 Do you know Mr. Velandia? Ο.
- 10 Α. Yes.
- 11 How do you know Mr. Velandia?
- 12 I met him when we took over Remi in 2005. He was one of
- 13 the waiters working there.
- 14 At some point did his title change? Q.
- 15 After few months -- and I don't recall exactly
- when -- he became head server. 16
- 17 Did you have any knowledge in advance of him becoming head
- server, that he would be named head server? 18
- 19 Α. No.
- 20 Has Mr. Velandia ever been appointed at Remi as an
- 21 assistant manager?
- 22 Α. No.
- 23 As head server, are you aware of what his responsibilities
- 24 were?
- 25 Head server is done from -- I mean you become head server

- because your seniority, your knowledge -- you're practically 1 somehow above the server -- but the real job of the head server 2 3 is still taking care of customers, still waiting tables, still 4 making sure your station is perfect. And on top of it, head 5 servers allowed you also to be more helpful in the dining room 6 as far as computer function. In this case, Mr. Velandia was 7 able to enter with a special card the computer and do some -to access some keys which are keys that allowed you to void 8
- 10 Q. Did Mr. Velandia ever have the authority to hire or fire 11 employees?

checks and to run the closing reports at night.

12 Α. Never.

9

- 13 Did Mr. Velandia ever have the authority to discipline Ο. 14 employees?
- 15 Α. Never.

pay rates?

- Did Mr. Velandia ever have the authority to set employees' 16 17
- 18 No. Α.
- 19 Was Mr. Velandia ever in charge of directing the day-to-day 20 activities of employees?
- 21 Α. No.
- 22 Q. Did Mr. Velandia ever have the authority to promote
- 23 employees?
- 24 Α. No.
- 25 After 53rd Partners purchased Remi, what, if any, measures

did the restaurant take to inform employees of their rights under the law?

A. What we do, when we took over, we have a general meeting with all the employees. Mr. Pistorio ran the meeting, and we explained the situation, we were taking over; we kept the food staff because we didn't want to change anything inside the restaurant. We evaluate every single employee in the next couple of months, and we basically kept the same one.

As far as training, we had -- Mr. Pistorio had a conversation with all of them, when it was time to hire people, and we made them aware, we're a new company, we were to accomplish whatever our goal, and to make sure that they knew how to run the job; and if it was any problem, to report straight to Mr. Pistorio, was the only responsible person inside.

- Can you turn, please, to the exhibit marked as D20 in the exhibit book. It should be in the defendants' exhibit book.
- Yeah. Which one? Can you repeat? Α.
- Number 20. 19 Q.
 - All right. Α.
- 21 Do you recognize D20? Q.
- 22 Α. Yes.
- 23 What is it? 0.
- 24 This is our poster we had on the wall, and this poster, Α. 25 when we got -- can I go back one second --

Q. Yes.

- -- to 2005? Prior 2005, the corporation was different 2
- 3 ownership at the restaurant, the Remi Restaurant, and when we
- took over in April 11, 2005, we bought all the assets and 4
- 5 everything the restaurant had already. So at the restaurant,
- 6 the posters, when we got the restaurant, the posters, they were
- 7 already there and we continue the tradition -- how you say --
- to accomplish and to add the poster over there. Who was in 8
- 9 charge of the poster was Mr. Augustine Pena, which was working
- 10 there before, and his job was updating the posters every six
- 11 months, a year.
- 12 What was Mr. Pena's job when you took over the restaurant?
- 13 He was taking care of the kitchen, which was the ordering, Α.
- 14 the delivering, he was helping the chef to run the business,
- 15 the daily business.
- And you see on D20 where it says -- is this an invoice that 16
- 17 you received?
- 18 I'm sorry? Α.
- 19 Is D20 an invoice that you received for posters? Q.
- 20 D20? Sorry. Yes, sir. Α.
- 21 Do you see where it says "All On One Workplace" in the Q.
- 22 middle of the page there?
- 23 Α. Yes.
- 24 Could you go to Defendants' Exhibit 19. Ο.
- 25 Α. Yes.

- And up in the upper left there of the page, what does it 1 2 say?
- 3 A. This is everything the poster contain, everything written in the poster. 4
- 5 If you look in the upper left corner of the poster, what are the first words? 6
 - "All On One Workplace Policy Poster."
- And was this poster ever posted at Remi? 8
 - A. Yes, it was.

- 10 MR. PARKER: Your Honor, I move to admit Defendants'
- Exhibits 19 and 20 in evidence. 11
- 12 THE COURT: Any objection?
- 13 MR. DELANEY: No objection.
- 14 THE COURT: 19 and 20 are admitted in evidence,
- Defendants' 19 and 20. 15
- (Defendant's Exhibits 19 and 20 received in evidence) 16
- 17 BY MR. PARKER:
- 18 Mr. Delledonne, can you please turn to Exhibit D22.
- Yes, sir. 19 Α.
- 20 What is D22? Ο.
- 21 Sorry, got lost. Α.
- 22 THE COURT: What language are 19 and --
- 23 THE WITNESS: I believe it's English, sir.
- 24 THE COURT: It's in English?
- 25 THE WITNESS: I believe so. I really can't read.

- 1 It's very small.
- 2 Mr. Parker, I'm lost.
- BY MR. PARKER: 3
- 4 I'm referring you to D22. Q.
- 5 Α. OK, I'm sorry.
- 6 And I ask you, what is D22? 0.
- 7 I can't find D22. I'm sorry. Α.
- In the exhibit book there? It should be a tab 22. 8 Q.
- 9 THE DEPUTY CLERK: D22?
- 10 MR. PARKER: Yes.
- 11 THE WITNESS: I'm sorry, I understood B. I apologize.
- 12 That's an invoice from the company where we purchased
- 13 the poster, Personnel Concept.
- BY MR. PARKER: 14
- And what is the date of the invoice? 15
- It's June 17, '05. 16
- 17 Can you turn over to D20 -- let me just ask you, before you Ο.
- 18 turn away, 22, it says NY Space Saver-1. Do you know what that
- 19 is?
- 20 Α. Yes.
- 21 Q. What is that?
- 22 Α. It's a general poster.
- 23 Can you turn over to D21 now, please. 0.
- 24 Α. Yes. Yeah, that's what it is.
- 25 Is that the Space Saver-1 poster?

Α. Yes.

MR. PARKER: Your Honor, I think that the copies that are in the exhibit book are -- they appear to be very dark. We have a clearer copy of that poster, but I'd offer Exhibits D21 and 22 in evidence, with the understanding that I will substitute the one in the exhibit book with a clearer photo and I will provide it to counsel.

MR. DELANEY: Your Honor, I am going to object to D21. I believe it's a photo of a bulletin board at Remi, current or at least within the last year or so. D22 is an invoice from 2005. It's not clear what D21 is.

THE COURT: Objection sustained.

MR. PARKER: I'll follow up on that. Thank you.

BY MR. PARKER:

- Q. Mr. Delledonne, D21, you said, is a New York Space Saver-1 photo?
- 17 A. Yes.
- 18 Q. And is that a photograph of a poster that either presently 19 or at some point appeared at Remi?
- 20 Α. Yes.
- 21 Do you know when this photograph was taken? Q.
- 22 Α. I think it was taken sometime in 2009, 2008, 2009.
- 23 The type of poster that it is, the New York Space Saver, 24 when did you first start at Remi posting this particular type

25 of poster in the restaurant?

- We saw, when we first got the place, the poster, they were 1 2 out, they were already in place.
 - Q. Is the photograph marked as D21 a fair representation of the type of Space Saver poster that has been posted at Remi since you took over in April 2005?
 - A. Yes.

- MR. DELANEY: Your Honor, I'm still going to object to D21; it's not clear what it is, who took it, when it was taken.
- THE COURT: Objection sustained. All I can tell is that this is something that the witness says was on the wall, and I can't tell what it is.
- 14 BY MR. PARKER:
- O. What is D21? 15
- A. D21 is a poster and it's a -- it's a poster with -- on the 16 17 poster there is some requirement, law requirement, to make the 18 employee aware of different things. There is all different 19 kind -- hourly wages, discrimination, there is sexual 20 harassment and different things.
- 21 MR. PARKER: Your Honor, may I hand up a clearer copy 22 of the exhibit?
 - THE COURT: If you have a clearer copy, yes. If it's clear it's a copy.
- 25 Can you show it to the plaintiffs' counsel?

MR. DELANEY: Your Honor, I still don't think we have appropriate foundation for this exhibit. I don't know --

THE COURT: Objection sustained. I don't see anything about sexual harassment.

MR. PARKER: No, but I'm not offering it for that, your Honor.

THE COURT: What are you offering it for?

MR. PARKER: I'm offering it to show that the restaurant had postings on equal opportunity law, and other employee rights pursuant to various laws, not specifically on sexual harassment. I'm getting to that.

MR. DELANEY: Your Honor, I object to foundation. also, based on that, I also object based on relevance. Whether OSHA was --

THE COURT: Those are the relevant issues in this case? Why are they relevant to the claims of either party? Why are they relevant to the claims of either party?

MR. PARKER: I think it just shows the general background and the efforts on the part of 53rd Street Partners to inform employees of various legal rights, which I believe the plaintiffs are contending they did not do.

THE COURT: Is the testimony just that these were on the wall when they took over?

MR. DELANEY: Your Honor, Mr. Delledonne has testified this was taken maybe in 2009, which is also well after the relevant period. I don't know how this is probative at all of what was -- first of all, it's not relevant to sexual harassment; and, secondly, it's not from a relevant time period, it's not probative of what was on wall, if anything, from 2005 to 2008, which is the relevant time period here.

THE COURT: Well, that's what I'm trying to ascertain.

MR. PARKER: I think the witness has already testified that this is representative -- it's the same type of poster and it's representative of the types of posters that were on the wall then.

THE COURT: No, but type of posters -- this is a different poster, not a picture of what was on the wall? In order to have a foundation, you have to have someone who says that this was a poster that was on the wall. It can't be the type of poster that was on the wall. You could take that at any restaurant and transfer it over and say -- there's no support for it, if that's what it is. I thought it was supposedly a copy of what was pictured in the other exhibit, 20 or 21, 19.

If it's a picture of what was actually on the wall, a clearer picture, that's one thing, but if it's something the

C40kcar1 Delledonne - direct

- witness can't testify to as that --1
- MR. PARKER: Well, your Honor, just comparing 2
- 3 Exhibit 19 to proposed Exhibit 21, they're clearly different
- 4 posters.
- 5 THE COURT: They're different.
- 6 MR. PARKER: Yeah, I'm not representing that they are
- 7 the same. They are different posters.
- THE COURT: Well, then I don't see the relevance. 8
- 9 MR. PARKER: I'll move on.
- 10 THE COURT: We're not trying an OSHA case, equal
- 11 employment case, are we? I see there's a second page. It
- 12 might go to the state of mind of the plaintiff or defendant, in
- 13 terms of intent.
- 14 MR. PARKER: I'll ask another question.
- BY MR. PARKER: 15
- Q. With regard to Exhibit D19 -- D21, I'm, sorry, 16
- 17 Mr. Delledonne --
- 18 Which one? Sorry. Α.
- 19 Q. D21.
- 20 Α. OK, yes.
- 21 -- you said that's a photograph of a poster. Where was the Q.
- 22 photograph taken?
- 23 It was taken at the restaurant.
- 24 Ο. At Remi?
- 25 Α. At Remi, yes.

Does this depict a poster that was posted somewhere at the

- 2 restaurant?
- 3 Yes. Α.

- 4 Where do you post your labor posters at Remi? Q.
- 5 We have two set. One set is posted next to the clock-in
- 6 machine, because all the employee use the clock-in machine to
- 7 clock in and clock out twice a day. So to keep the poster
- really visible for everybody, we choose to put it there. 8
- 9 The second place where we put it is next to the locker
- 10 Where the employee have access to the locker room, there room.
- 11 is a restroom behind there, so that's where we decided to put
- 12 it.
- If you turn over to Exhibit D26, please --13
- 14 D26? Α.
- 15 Q. 26.
- 16 Α. Yes.
- That is an invoice? 17 Ο.
- 18 Α. Yes.
- 19 What is it? Q.
- 20 It's an invoice from the company who give us the poster,
- 21 it's dated August 9, 2007.
- 22 Q. OK, that would be 26B?
- 23 THE COURT: 26A?
- 24 MR. PARKER: 26B, your Honor.
- 25 THE WITNESS: 26A, yeah.

- BY MR. PARKER:
- It says "Sexual Harassment" in the middle of the page in 2
- 3 invoice, in 26B. What is that?
- Yes. It was part of the series of poster we bought, it was 4 Α.
- also sexual harassment poster. 5
- How many did you buy? 6 0.
- 7 We bought two. Α.
 - If you go over to Exhibit D25, what is Exhibit D25?
- 9 That's one of the two poster we bought, sexual harassment
- 10 poster.
- 11 And how do you recognize that?
- 12 Α. Because I see it every day.
- 13 Ο. Where?
- We post -- there are two, we said. One is posted on top of 14
- 15 the time clock machine, and the other one is posted in the way
- to the locker room. 16
- 17 And since you purchased these, pursuant to the invoice
- 18 marked as 26B, for how long has Remi maintained those posters?
- A. All the time, they're still there now. 19
- 20 MR. PARKER: Your Honor, I offer Exhibits D26-B and
- 21 D25 in evidence.
- 22 MR. DELANEY: No objection.
- 23 THE COURT: D26-B and D25 are admitted in evidence.
- 24 (Defendant's Exhibits D26-B and D25 received in
- 25 evidence)

BY MR. PARKER:

- Mr. Delledonne, since 2005, when your company took over 2
- 3 Remi Restaurant, if employees had a problem in the restaurant,
- how would they be able to address that with management? 4
- 5 A. They approached the general manager, Mr. Francesco
- 6 Pistorio, from 2005 to 2008. Mr. Pistorio left, Mr. Carlo
- 7 Maggi took over, and they approached Mr. Carlo Maggi.
- Is that procedure that you just identified anywhere in 8
- 9 writing?
- 10 Α. No.
- 11 Have you ever had occasion to have employees visit you or
- come to you with any issues or problems in the restaurant? 12
- 13 They approach me sometime, not about problems, more Α.
- 14 about -- talking about things in general. My door is always
- 15 open, everybody comes in all the time, goes out, we talk about
- every single thing -- everybody can do that and, you know --16
- 17 few people come, we talk about, you know, family, things.
- 18 for any problem concerning the restaurant, they go straight to
- 19 the general manager.
- 20 What type of hours did Mr. Pistorio work, if you know?
- 21 Mr. Pistorio used to come in around, I would say
- 22 9:10 o'clock in the morning and be there until 9:10. Sometime
- 23 he was there until the closing until 11:00 12:00.
- 24 Mr. Pistorio, his family was out of town, so he dedicate a

From the time that you spent at Remi, were you able ever to 1 observe the type of rapport or relationship that Mr. Pistorio 2

had with restaurant employees?

MR. DELANEY: Objection.

THE COURT: I'll allow the question.

THE WITNESS: Yes.

- What were your observations of that?
- That was -- he had a relationship, very strong with his employee because he consider Remi as his family, so he was the head, the guy, the gentleman in charge of the place. He knew he was responsible for every single person into the restaurant, and he was there all the time for everybody. So he was encouraging people all the time, "If you have any problem, please come to see me, we talk about it, we find a solution." And everybody pretty much did that all the time.

We heard also many employee, overhear, say that. was the only person who had the direct -- how do you say -direct contact with all the employee, and everybody knows that.

- During the time that you spent at Remi, while Mr. Pistorio was the general manager, did you ever observe any employees engaging in the touching of one another's buttocks or private parts?
- 23 Α. No.
 - Did you ever hear employees using language to one another which included the words "prosti" and "puta," "whore" or

"bitch"?

BY MR. PARKER:

- Q. Did you, at any time while Mr. Pistorio was the general manager, become aware of any circumstance involving employees having touched one another on the buttocks or private parts?
- You said if Mr. Pistorio did? 10 Α.
- 11 No, if you became aware of any situation in which employees 12 were observed doing that.
- 13 Α. Yes.
- 14 How did you become aware of that? Q.
- 15 Α. Mr. Pistorio reported to me once that he witness few times the employee joking around. So he was quite upset about it, 16 17 and he pointed to the meeting, and pointed to the meeting -- I mean he had a meeting about that. And he said, if I will see 18 something happen like this again, touching or being destructive 19 20 during the business into the premises, he will take care -- he will take disciplinary act. 21
 - MR. DELANEY: Your Honor, move to strike that answer to the extent it has hearsay as well as there's lack of foundation for presence at any meeting where Mr. Pistorio said those things.

- 1 THE COURT: Yes, it is hearsay. I'll sustain the 2 objection.
- BY MR. PARKER: 3
- 4 Q. Without discussing what Mr. Pistorio may have said to you
- 5 about that occurrence -- just answer yes or no -- did you
- 6 become aware of any actions that he took in response to
- 7 witnessing those events?
- 8 Α. Yes.
- 9 Were you satisfied with the actions that he took? Q.
- 10 Α. Yes.
- 11 0. How many employees does Remi have?
- 12 Α. About 80.
- 13 Has that number changed since 2005? 0.
- 14 It change like four or five less or more, more or less. Α.
- It's always been around --15 Q.
- 80. 16 Α.
- 17 Ο. -- 80?
- 18 In 2005, did you ever become aware of any complaints
- 19 by any employee of employment discrimination?
- 20 Α. No.
- 21 In 2005, did you ever receive notice of any complaints by Q.
- 22 any employee of sexual harassment?
- 23 Α. No.
- In 2005, did you ever become aware of any complaints by any 24
- 25 former employee of sexual harassment?

- Α. No.

- In 2006, did you ever become aware of any complaint by an 2 Q.
- 3 employee of employment discrimination?
- 4 Α. No.
- 5 In 2006, did you ever become aware of any complaint by an
- employee of sexual harassment? 6
- 7 Α. No.
- Were there any complaints in 2006 that you became aware of 8
- 9 by a former employee complaining of sexual harassment?
- 10 A. No.
- 11 Now, if you can turn to Exhibit -- now you're going to go to
- 12 the Plaintiffs' Exhibit book and turn to Exhibit 18, P18.
- 13 Do you recognize Exhibit P18?
- 14 Α. Yes.
- 15 Q. What is P18?
- It's a complaint filed from Mr. Sergio Pastor through the 16
- 17 Division of Human Rights.
- 18 Q. Now, on the last page of the document there's a date of
- August 10th of 2007. Do you see that? On the left-hand side 19
- 20 there, lower section.
- 21 Α. Yes.
- 22 Q. Now, in 2007, up until -- let me ask you: Did you receive
- 23 a copy of this complaint at or about this time?
- 24 Α. Yes.
- 25 Up until when you received this complaint by Mr. Pastor, in

- 2007, did you receive any complaints by any employees of 1 2 employment discrimination?
- 3 Α. No.
- 4 And up until you received this complaint in August of 2007, Q.
- 5 did you receive any complaints by employees of sexual
- harassment at Remi? 6
- 7 Α. No.
- What happened with this complaint after it was received at 8
- 9 Remi?
- 10 A. We have -- we received a complaint, we talked to each
- 11 other, Mr. Pistorio, we call Oscar, we talk to Oscar, and he
- 12 denied any allegation against him. We hire -- we give the case
- 13 to our attorney, which was Mr. Reid Rosen, which he did his
- 14 investigation. He file an answer to the Human Rights, and
- 15 that's what we did.
- Q. Now, the complaint on page -- do you see down at the bottom 16
- 17 it says "Plaintiffs' Trial Exhibit"? If you go to page 4 of 6
- of Exhibit 18 --18
- 19 Α. Which one, sir?
- 20 Q. On the bottom of the page, it says the page numbers of the
- 21 exhibit.
- 22 Α. Yes.
- 23 It says page 4 of 6. 0.
- 24 Α. 4?
- 25 Do you have page 4? Q.

- I have 4 of 7. Α.
- 4 of 7? On the page that you have, does it say in the 2 Q.
- 3 middle of the page "Description of Discrimination"?
- Α. Yes. 4

- 5 OK, that's the page I wanted you to be on.
- OK. 6 Α.
- 7 It says "Translated To English" next to it?
- 8 Α. Yes.
- 9 In the middle of the page, there's a sentence that begins
- 10 after where it says 4:20 p.m., and the sentence reads, "The
- 11 assistant manager, Oscar Velandia, wanted to have sexual
- relations with me, and I refused." 12
- 13 A. Yes.
- 14 Did you have any conversations with Oscar Velandia about
- 15 that allegation?
- 16 Α. Yes.
- 17 And what did he say? Q.
- He said it was -- he said, no, he never done it. 18
- 19 Up until that point, had you ever received any complaints
- 20 of any kind by anyone at Remi about Oscar Velandia?
- 21 Α. No.
- 22 Now, if you turn, please, in the defendants' exhibit book,
- 23 it would be Exhibit D47.
- 24 Do you have 47?
- 25 Α. Yes.

The title in the right-hand column, it says "Determination 1

and Order After Investigation." Do you have that in front of

you? 3

2

- 4 A. Yes.
- What is this document? 5
- This is the answer to our letter from the Division of Human 6
- 7 Rights.
- It appears to be dated on the last page, on page 3. Can 8 Q.
- 9 you read that handwritten date there?
- 10 Α. Yes. 11/19/07.
- Did you receive this determination at or about that time? 11
- 12 Α. Yes.
- And what was the conclusion of the New York Division of 13 Ο.
- 14 Human Rights with regard to Mr. Pastor's complaint?
- 15 The complaint was dismissed. Α.
- When you receive this document, did you read it? 16 0.

- BY MR. PARKER:
- Q. On the second page, in the middle of the page, the document 2
- 3 states that there is no evidence that Mr. Oscar Velandia
- sexually harassed the complainant and/or that complainant's 4
- 5 termination was in any way related to sexual harassment. Did
- 6 you read that at the time in 2007?
- 7 Α. Yes.
- 8 Q. If you go over to Exhibit D48.
- 9 Α. 28?
- 10 Q. 48.
- 11 Α. 48?
- 12 Q. Next exhibit.
- 13 Α. Yes.
- 14 Q. What is D48?
- Α. It's a document from the EEOC. It's a dismissal and notice 15
- 16 of rights.
- 17 Q. And in the bottom corner it bears a date of November 23,
- 18 2007. Did you receive this at or about that time?
- 19 A. Yes.
- 20 Q. Did Mr. Sergio Pastor ever file a lawsuit against Remi
- 21 after this?
- 22 A. No.
- 23 MR. PARKER: Your Honor, move to admit Exhibits 847
- 24 and 848 in evidence.
- 25 MR. DELANEY: Your Honor, plaintiffs object.

Delledonne - direct

defendants moved in in an limine motion to exclude the complaint from evidence, and your Honor ruled that the complaint itself was not admissible in evidence. Either I request your Honor reconsider the decision and allow the complaint in as evidence or I object to the admission of these two documents, which are the resolutions of Mr. Pastor's complaint.

THE COURT: Exhibit 48 and Exhibit 47 are not admitted in evidence, but the testimony is admitted as testimony of what occurred. As to whether Mr. Pastor followed up on the determinations are hearsay as to what happened.

MR. PARKER: Your Honor, might I be heard on that?

THE COURT: Yes.

MR. PARKER: The plaintiffs raised the issue of the Pastor complaint in their case. They questioned Mr. Sergio Pastor about it. They questioned Oscar Velandia about it. They clearly are arguing that this complaint somehow put Remi on notice that there was a problem regarding sexual harassment in the restaurant. The defendants, I submit, are entitled to rely upon the determination by a state agency, the final determination, as proof that in fact there was no problem, at least with respect to this person, contrary to what the plaintiffs are seeking to infer from or imply from the testimony that they've introduced.

So while technically speaking the determination is

hearsay, it's a finding of a public agency. It's a public document, and it should come in under the public records exception to the hearsay rule. But beyond that, as I said, the restaurant, the defendants should be entitled to rely upon that finding in the furtherance of its business.

THE COURT: It goes to the conclusion, it seems to me, but whether the facts as described in the report are true, it seems to me they're hearsay. The conclusion that the matter was determined is based in the complaint. That seems to me it's admissible as the action of a public agency. But I was trying to make the distinction between that and the factual statements contained therein.

MR. PARKER: I have no issue with removing the factual determinations, the factual findings. I do, however, press for the conclusion to be admitted because it is a conclusion, and it does exonerate Mr. Velandia of sexual harassment as alleged by Pastor in his complaint.

MR. DELANEY: Your Honor, first of all, it doesn't exonerate. It says they had no evidence at the time.

THE COURT: I don't know whether it exonerates him, but he seems not to have followed up on it, which seems to me to suggest that he accepted the decision.

MR. DELANEY: Your Honor, Mr. Pastor was pro se at the time. He had no attorney representation.

> We have plenty of pro se people who follow THE COURT:

up on these, and generally they do.

MR. DELANEY: Mr. Delledonne has already testified that they received the determination, and we don't contest the fact that they made this determination. I believe that's already in evidence, and I don't think we need the underlying documents to support that.

THE COURT: I didn't admit the document, only the fact of the determination. Therefore, the adverse decision was testified to, so I don't see that the document is necessary.

And the fact that there was no follow-up, I think, is relevant to Mr. Pastor's state of mind.

MR. PARKER: Very well. Thank you.

- Q. Mr. Delledonne, for the remainder of 2007, after you received the complaint of Sergio Pastor, did you receive any other complaints by employees of employment discrimination at Remi?
- 17 | A. No.
- Q. Did you receive during 2007 any other complaints by employees of sexual harassment at Remi?
- 20 A. Yes.
- 21 | Q. What did you receive?
- 22 A. We receive a complaint from Mr. Arturo Caravantes, but it's
- 23 internal, an internal complaint, not from any agency, that
- 24 Mr. Caravantes approached Mr. Pistorio.
 - Q. Before you discuss what those discussions were between

- others, what came to your attention? 1
- 2 I'm sorry. Can you repeat? Α.
- 3 Q. Yes. I don't want you to go into the discussions that you
- 4 were told about. What I want to know is how you learned of
- 5 that event.
- I learn it in late in 2008. That's happening 2007, but we 6
- 7 learn it late -- I did learn it late in 2008.
- 8 When in 2008 did you learn about that?
- 9 About March. Α.
- 10 From whom did you learn about that event?
- 11 Α. We receive a complaint.
- What complaint was that? 12
- 13 Α. It was a complaint from Mr. Caravantes. He was complaining
- that Ben Ranieri, one of our waiters, touched him, in 2007. 14
- 15 Q. And if you turn to Exhibit P19, in the Plaintiffs' Exhibit
- 16 book.
- 17 The plaintiff. Α.
- Plaintiffs' Exhibit book. Do you have that? 18 0.
- 19 Α. Yes.
- 20 Is that a copy of the complaint you're referring to? 0.
- 21 Yes. Α.
- 22 When did you first become aware of it? Q.
- 23 After we received the complaint. Α.
- 24 What did Remi do in response to the Caravantes complaint? 0.

- 2007, I think November 2007. When Mr. Caravantes approached Mr. Pistorio and he point the complaint, he said, What happened, that Mr. Ben Ranieri touched him in an inappropriate way. So Mr. Pistorio called the two of them. That's what I learn after that, because I spoke with Mr. Pistorio, and Mr. Pistorio who was telling me all this, so Mr. Pistorio approached the two of them. He sat them down, had a meeting with them, and he found that it was an accident. And he said:
 - Nothing else happened, so, for Mr. Pistorio, the problem was solved, until March 2008, when we received the complaint.

Please work together. Any other problem, come to see me.

- MR. DELANEY: Your Honor, I'm going to object to the portion of the answer that is hearsay regarding what Mr. Pistorio said.
- THE COURT: Sustained as to hearsay.
- BY MR. PARKER: 16
- 17 After you received the complaint in 2008, what did you do?
- 18 A. We investigated. We called our attorney, Mr. Reid Rosen,
- which he investigated. He spoke with Mr. Pistorio about it. 19
- 20 We filed an answer, and that's what we did.
- 21 Could you turn to Exhibit D11 in the defendants' book? Q.

- 23 Do you recognize D11? 0. Yes.

- It's Mr. Pistorio affidavit sent back to the New York State 8

- 10 Did you see a copy of that at the time? Q.
- 11 Α. Yes.
- 12 Turn over, please, to D13.

- 14 What is D13? Q.
- It's Ben Ranieri affidavit as answer to the Division of 15

- 17 Did you see that at the time?
- 18 Α. Yes.
- 19 MR. PARKER: Your Honor, move to admit D11 and D13 in

- 21 MR. DELANEY: No objection.
- 22 THE COURT: I'm going to admit 11 and 13 in evidence
- 23 but not for the truth of the statements contained therein but
- 24 the fact that those statements were made, and I'm going to
- 25 amend the ruling to the earlier exhibits with respect to the

other documents filed with the Division of Human Rights, the 1 2 EEOC, in the same way, for the fact that the statements therein 3 were made but not for the truth of the statements.

MR. DELANEY: Just to be clear, your Honor, that only applies to the ones Mr. Parker entered, correct? Because, for example, when I entered Mr. Velandia's affidavit, that comes in as a party admission.

THE COURT: That's correct.

MR. PARKER: I think your Honor's referring to Exhibits D47 and 48, the prior ones that we discussed.

MR. DELANEY: 47 and 48 were not admitted.

THE COURT: Right. They are for the fact that those statements were made but not for the truth of the material contained therein.

MR. DELANEY: I see.

- BY MR. PARKER:
- 18 Q. What became of the complaint filed by Mr. Caravantes in

- 21 We've been talking about the Caravantes complaint that was

- 25 Α. Yes.

- Did you ever receive any determination from the Division of 1

- 12 Did you come to learn at some point that Mr. Velandia and
- 13 Mr. Caravantes had engaged in sexual acts at the restaurant?
- 14 Α. Yes.
- 15 Q. When did you first learn that?
- I learn, I don't remember the year, but I remember 16
- 17 receiving the suit about it, reading it, and getting our

- 20 Q. Okay. Just asking, I don't want to ask you to talk about

- 3 Up until that point, other than the Pastor complaint that
- we've discussed and the Caravantes complaint that we've 4

- Q. Yes. Other than the Pastor complaint and Caravantes 8

- 12 A. Yes.

Two more people. 14 THE COURT: What are their names? 15 THE WITNESS: Angel Soria and able Sanchez. 16 THE COURT: Was it a single suit or were they separate 17 suits? 18 THE WITNESS: Excuse me? 19 THE COURT: Was it a single complaint? 20 THE WITNESS: Yes. 21 THE COURT: Or was it separate? 22 THE WITNESS: Yes. Single. 23 THE COURT: Did they all belong to the same portion of 24 the work force? Were they all waiters?

THE WITNESS: Mr. Caravantes was a coffee boy.

- 15 Q. What is it?
- 16 It's an application for employment.
- 17 THE COURT: I'm sorry. Let me go back. The unpaid

the immigration status. The purpose of both the application and the photocopies of the cards is that Mr. Pastor admittedly lied about his age when he applied to Remi, and both the application itself, which, on page two, contains his birth date and also on the following page, with the copies of the two cards, on the resident alien card, there appears a birth date which is false. THE COURT: We can black out portions of this, Mr. Delaney. MR. DELANEY: If it's just for the fact of what the birth date says, we can black out the rest. MR. PARKER: I have no problem with that, Judge. THE COURT: All right. You better designate the portion because you may not be agreed on what Mr. Parker says. MR. document contains multiple pages, D996 contains, looks like a 1 2 hearsay statement by Mr. Pistorio, so, again, I might just 3 request from defense counsel that they remove these last two

pages of this exhibit and keep the first three pages.

- MR. PARKER: That's also acceptable. I'm really just interested in the first three pages of the exhibit, your Honor.
- THE COURT: Those pages do we have them designated on the record, Mr. Delaney.
- MR. DELANEY: So, of Defendants' Exhibit D39, we will keep the first three pages, which is D993, 994, and 995, with the redaction we just discussed on 995, and we'll remove pages D996 and 997.

- 16 BY MR. PARKER:
- 17 Q. Mr. Delledonne, could you turn in the defendants' book,
- 18 please, to Exhibit D65? Do you recognize D65?
- 19 Α. Yes.
- 20 What is it? 0.
- 21 It's a 2009 tax return. Α.
- 22 Is it a tax return of 53rd Street Partners? Ο.
- 23 Α. Yes.
- 24 Was this document filed with the Internal Revenue Service? Ο.

- Shows a loss of \$444,000. One for 444,000 and one for 6
- 7 \$156.
- 8 Would you please turn over to Exhibit D64?
- 9 Α. Yes.
- 10 What is D64? Ο.
- 11 Α. It's a 2010 tax return.
- 12 Was this document filed with the Internal Revenue Service?

- What is the date? 14 Q.
- October 17, 2011. 15 Α.
- What does this return show on line 22, ordinary business 16

- 18 Showing the loss of \$258,692.
- In 2009 and 2010, Mr. Delledonne, how would you describe 19 Q.
- 20 the business conditions for Remi?
- 21 The business was, you know, the economy went down in 2008,
- 22 following the Lehman Brothers problem and Lehman Brothers was
- 23 one of our best customers at the restaurant for private event
- 24 and regular business. It literally was just across the street
- 25 So that's one of the major reason, and all the from us.

Delledonne - direct

- corporate business, it just disappeared. You know, no more 1 2 corporations were spending money on lunch or dinner events.
- 3 That's happening 2009, happening 2010, happening 2011, and it's
- happening right now. It's different kind of business now. 4
- 5 It's totally different.
- How is it different? 6 Ο.
- 7 Different because, you know, we, we are big operation.
- are a big place. We have a lot of people working there, and in 8
- 9 order to function, we have to keep the place consistent.
- 10 cannot just decide to, to cut people or to fire people because
- otherwise we can't, we can't function, and we don't want to put 11
- 12 people on the street. That's our philosophy. And we tried to
- 13 consolidate our people, to do the best we can, to promote as
- 14 much as we can, to give the best quality and service to, you
- 15 know, to be competitive and to get more customer from other way
- and be better than other places. That's what it's all about, 16
- 17 to be competitive in business.
- Has the tax return yet been filed for 2011? 18 0.
- 19 Not yet. We are on extension. Α.
- 20 Generally, what was the outcome of 2011, from a financial
- 21 standpoint?
- 22 As far as businesswise, we are a little bit better in 2010.
- 23 As far as profit or loss, a little bit better, but we still
- 24 have to recover, and it's very, very hard for restaurants right
- 25 now, especially Remi-size restaurant.

- Delledonne direct
- 1 If you could turn to Exhibit D67, please.
- 2 Α. Yes.
- 3 Before we address the exhibit, does 53rd Street Partners
- 4 own any real estate?
- 5 Α. No.
- What are its assets? 6 0.
- 7 Assets are just material inside the restaurant.
- chairs, table, the kitchen equipment, and I don't think about 8
- 9 anything, computers. Equipment, in general.
- 10 Q. Are you able to apply an estimated value of those assets in
- 11 the restaurant?
- 12 I would say about \$200,000, total.
- 13 Are there any liens on those assets? 0.
- 14 Α. No.
- Let's look at Exhibit D67. What is D67? 15 Q.
- It's a page of a bank account, of 53rd Street bank account. 16
- 17 And it appears there are how many months of bank statements
- 18 here?
- It's three months. 19 Α.
- 20 What type of an account is this account?
- 21 This is, we are operating with two accounts. One is just
- 22 for the payroll and we allocate the money of the value of the
- 23 payroll, we pay on weekly basis the payroll. If the payroll is
- 24 \$20,000 net, we put \$20,000 in the account, and that's about
- 25 And after we have this particular statement, it's about

Delledonne - direct

- 1 our operating account. It's the only other account we have.
- When we get the income from the credit card companies and we 2
- 3 wrote our checks, and it's the operation.
- It says on the first page of D67, it says in the upper 4
- 5 right "statement closing date 3/30/12." What does that mean?
 - That the statement at the end of March, 2012. Α.
 - And in the middle of the page --

MR. PARKER: It's on the first page of the exhibit,

THE WITNESS: 67.

THE COURT: Yes, 67.

13 MR. PARKER: Yes, your Honor.

THE WITNESS: 67.

- BY MR. PARKER: 15
- In the middle of the page, it has a line, beginning with 16
- 17 balance forward, and all the way to the right in the column
- 18 designated as balance, it says \$83,661.35, with a dash next to
- What does that mean, Mr. Delledonne? 19 it.
- 20 It's the bank balance shown on overdraft, so \$83,000. Α.
- 21 What do you mean by overdraft? Q.
- 22 Α. Overdraft is when the account is negative.
- 23 How long has your bank account for 53rd Street Partners
- 24 been negative?
- 25 About three years, four years. Α.

- Does 53rd Street Partners own or operate any other restaurant or any other facility?
- 3 No. Α.

2

7

- 4 Now if you can turn to Exhibit D66 for identification. Q.
- 5 Α. Yes.
- 6 What is D66? 0.
 - It's a statement for American Express. Α.
- And what is 53rd Street Partners' relationship with 8
- 9 American Express?
- 10 American Express is the credit card, big credit card
- 11 company, which process, we process the money with credit card.
- 12 So use American Express, the client use, the customer use
- 13 American Express, we submit the batch, and American Express
- 14 credit the money to us after three or four days. That's a way
- 15 to pay. It's, this one is program from American Express called
- Express Merchant Financing, which they do loan based on cash 16
- advance for business, and the loan estimated on the, on the 17
- 18 volume of business you do with American Express on a yearly
- 19 basis. We are in business with them for seven years, eight
- 20 Before Remi was in business with them for 15 years, vears now.
- 21 so we are a previous customer, and we were able to get the cash
- 22 advance from American Express of \$300,000 plus six percent
- 23 interest, which show below that, is total \$318,000, and it's a
- 24 loan for me to reduce my overdraft.
- 25 So you took this loan from American Express to reduce your

Delledonne - direct

- 1 | bank overdraft?
- 2 A. That's right.
- 3 | Q. And what is the outstanding balance on the American Express
- 4 loan?
- 5 A. As of, the statement is dated, let me see, 3/18, to 2/3,
- 6 | 2012, the outstanding balance is \$197,149.80.
- 7 | Q. Do you know today whether it's more or less than --
- 8 A. Today, it's less because they take 14 percent of my
- 9 American Express deposits on a daily basis.
- 10 | Q. Other than those loans, that loan and the bank overdraft,
- 11 | what, if any, other extraordinary expenses does 53rd Street
- 12 | Partners have at this time?
- 13 A. We have substantial amount of legal fees. We have, and we
- 14 have everyday operation because we keep, we try to keep our
- 15 standard in high level, and, you know, it's more difficult than
- 16 | it was, a lot more difficult. On top of it, like I was
- 17 | mentioning, we have to sustain lawsuit since legal fees to face
- 18 the lawsuit since 2008, so this didn't help at all.
- 19 MR. PARKER: Your Honor, I'd move the admission of
- 20 | Exhibits D64, 65, 66, and 67 in evidence.
- 21 | THE COURT: 64? I haven't got anything on 64, I don't
- 22 believe.

MR. DELANEY: I have no objection to 64 and 65. For 66 and 67, I wasn't clear on the foundation for them, whether they were, where they came from. They don't appear to be Remi documents. The logos on the top are banks. If they're bank statements that are kept in the ordinary course of business by Remi, then I have no objection.

MR. PARKER: I can certainly ask those questions.

- 11 MR. DELANEY: I have no objection, but I'd like the

- 5 CROSS-EXAMINATION
- BY MR. DELANEY: 6
 - Good morning, Mr. Delledonne.
- Good morning. 8 Α.
- 9 So, 53rd Street Partners, that's the company you own,
- 10 correct?
- 11 A. Yes.
- 12 Q. And 53rd Street Partners took over Remi Restaurant in
- 13 April 2005?
- 14 A. That's correct.
- 15 Q. When it took over Remi Restaurant, you were one of the
- 16 owners?
- 17 A. Yes.
- 18 Q. Now, you were still working at Bice Corporation at the
- 19 time, correct?
- 20 That's correct. Α.
- 21 You were working as a controller there? Q.
- 22 Α. As a corporate controller, right.
- Now, in April 2005, when you took over, you spent 23
- 24 approximately one or two hours per day at Remi Restaurant?
- 25 Α. Yes.

- Delledonne cross
- And that changed in approximately 2008? 1
- Α. 2 That's correct.
- 3 And starting in 2008, you started spending essentially a
- full day there? 4
- Full-time, yeah. 5 Α.
- Now, in April 2005, your role in running Remi Restaurant 6
- 7 was limited to administration, correct?
- That's correct. 8 Α.
- 9 You did the bookkeeping? Q.
- 10 Α. Yes.
- 11 Ο. And the accounting?
- 12 Α. Yes.
- 13 In April 2005, you were not responsible for any of the 0.
- day-to-day operations of Remi? 14
- No, I was never. 15 Α.
- You still are not in charge of the day-to-day operations? 16
- 17 That's correct. Α.
- 18 Q. Prior to 2008, when you were there full time, you didn't
- 19 spend much time on the dining room floor at Remi, did you?
- 20 Α. No.
- 21 And after 2008, do you spend much time on the dining room
- 22 floor?
- 23 Α. No.
- 24 Now, when you took over in April 2005, Francesco Pistorio
- 25 was the general manager?

C49kcar3 Delledonne - cross

- 1 A. Yes.
- 2 | Q. And you were not responsible for supervising him?
- 3 | A. No.
- 4 | Q. And Carlo Maggi is the current general manager?
- 5 | A. Yes.
- 6 Q. And you aren't not responsible for supervising him either?
- 7 | A. No.
- 8 | Q. The other two members of 53rd Street Partners in April 2005
- 9 | were Frank Tancredi?
- 10 | A. Yes.
- 11 Q. And Stefano Fritella?
- 12 | A. Yes.
- 13 Q. Now, Frank Tancredi was not responsible for supervising
- 14 Mr. Pistorio either, was he?
- 15 | A. No.
- 16 | O. Neither was Mr. Fritella?
- 17 | A. No.
- 18 Q. And there are no other members of 53rd Street Partners?
- 19 A. No.
- 20 | Q. Now, you testified about posters that were posted at Remi
- 21 | Restaurant?
- 22 A. Yes.
- 23 | Q. And your testimony was that some of those posters contained
- 24 | information about sexual harassment?
- 25 A. Yes.

- But other than those posters, there is no written policy at 1
- 2 Remi Restaurant regarding sexual harassment, is there?
- 3 No written policy, no, besides the posters.
- And in April 2005, there was no employee handbook that 4 Q.
- 5 discussed sexual harassment?
- Α. 6 No.
- 7 And in 2008, when you started full time, there was still no
- handbook discussing sexual harassment? 8
- 9 Α. No.
- 10 In April 2005, Remi had no training program for its Ο.
- 11 managers regarding sexual harassment, correct?
- 12 Α. No.
- 13 Q. And to this day, there still is no training for managers
- regarding sexual harassment? 14
- 15 MR. PARKER: Objection; relevance.
- 16 MR. DELANEY: I'll rephrase.
- 17 THE COURT: Is that relevant, to this day?
- 18 MR. DELANEY: I can ask a different question, your

Can you repeat that one?

- To this day, is there any training program for managers 8 9 regarding sexual harassment?
 - MR. PARKER: Objection.
 - THE COURT: I think you should slow down with this witness because his native language is Italian, as I understand it.
 - MR. DELANEY: OK. Could you read back the last question four me.

- 17 THE WITNESS: No at this days, but --
- MR. PARKER: Your Honor, I object to the question on 18 relevance grounds. 19
- 20 MR. DELANEY: Your Honor --
- 21 MR. PARKER: It's four years later.
- 22 MR. DELANEY: I believe the current state of the 23 training and policies is directly relevant to the issue of whether Remi Restaurant has condoned sexual harassment in 24 25 particular given the repeated testimony we have from current

employees about how the game and the touching still goes on to this day.

MR. PARKER: The issue is not whether a defendant in a harassment case condones anything into the future. whether up at the point in time that the events occurred, whether it condoned those events.

THE COURT: I think Mr. Parker is right on the limitation. It is not relevant to my determination. Something that isn't in suit I can't make findings about, it seems to me. It's relevant to your expert's testimony, but the -- the other testimony is relevant to your expert testimony.

- BY MR. DELANEY:
- 13 Q. Now, I want to return to the posters that you testified are 14 posted at Remi Restaurant. Actually, let me hand you a 15 document.
- 16 MR. DELANEY: 31.
- 17 THE COURT: Are you handing him an exhibit? Exhibit No.? 18
- MR. DELANEY: Plaintiffs' Exhibit 331. 19

- 1 And you see there are multiple pages in this document?
- 2 Α. What?
- 3 There are multiple pages in this document, this exhibit?
- 4 Α. Yes, yes.
- And you recognize these as a series of invoices from 5

- 7 A. Yes. But I don't recognize the first one because it's

- 10 I don't know why. Α.

MR. DELANEY: Yes, your Honor.

The last two pages postdate any of the MR. PARKER: alleged conduct in the case. And for the same reasons we discussed earlier, I submit that it's not relevant.

MR. DELANEY: Your Honor, it's relevant solely for the issue of notice to the defendants regarding when they ordered the first Spanish language poster. There's been testimony so far to date that the posters were in Spanish, and I believe this document is necessary to show that the first Spanish poster was not ordered until after the relevant time period.

THE COURT: Well, what evidence is there that these are all the invoices that were issued by Personnel Concepts to the Remi Restaurant?

MR. DELANEY: Your Honor, I can ask that question, but these documents were obtained as a result of a subpoena to Personnel Concepts for all invoices to Remi Restaurant, and we have also requested similar documents from Remi Restaurant. They have not produced any additional invoices.

MR. PARKER: We have stipulated that they're business records of Personnel Concepts. We certainly have not stipulated that these constitute any and all invoices that were ever submitted by Personnel Concepts to Remi Restaurant.

subpoenaed similar records from Remi and the sum total is what's here.

THE COURT: You have a problem of foundation.

MR. DELANEY: But, your Honor, the foundation of these has been stipulated to, that they are businesses records from Personnel Concepts. So I understand that Mr. Parker's reserved his rights to make a relevance objection, but foundation has been stipulated to between the parties.

THE COURT: But foundation of all the documents. The subpoena would require all bills. And without it, I can't tell whether this is the return on the subpoena. Usually you get the subpoena with the documents from the person subpoenaed.

THE COURT: Subject to connection, go ahead, yes. BY MR. DELANEY:

- Q. So, Mr. Delledonne, I was asking about the word "Spanish" here, the "New York Space Saver-1 Spanish Laminated." Do you see that?
- 21 | A. Yes.
- Q. And right below it, do you see a second line that says "FD Space Saver-2 Spanish Laminated"?

- 3 | A. Yes, it is.
- 4 \mathbb{Q} . And the date, do you see as 7/01/09?
- 5 A. Yes, it is.
- Q. Now, at this time, in July 1st, '09, were you responsible

- 8 A. I was responsible. Can I explain to you better what -- you

- 19 Now, again, the date on this, if you look at the top

- 6 THE COURT: Yes.
- 7 Q. My first question is: Is this an invoice that you received

- 9 A. Yes.
- 10 And if you look at the listing of posters under the word

- 12 Α. Yes.
- 13 0. -- there's no word Spanish, correct?
- No Spanish. 14 Α.
- 15 Q. And if you go to -- it's a document that Mr. Parker showed

- 20 A. Yes.
- 21 THE DEPUTY CLERK: D26-D?
- 22 MR. DELANEY: D26-B.
- And, again, it doesn't say the word "Spanish," correct? 23 0.
- 24 It doesn't say "Spanish." Α.
- 25 You can put those documents away, Mr. Delledonne.

- MR. DELANEY: Your Honor, I would move Plaintiffs' 1
- Exhibit 331 into evidence subject to providing the subpoena. 2
- 3 THE COURT: All right, subject to connection, 331 is 4 admitted.
- 5 (Plaintiff's Exhibit 331 received in evidence)
- BY MR. DELANEY: 6
- 7 Q. Now, Mr. Delledonne, in April 2005, you were not responsible for ordering the workplace posters, correct? 8
- 9 Α. No.
- 10 Mr. Pena was responsible --
- 11 Α. Mr. Pena --
- 12 Just let me finish my question.
- 13 And he was responsible for ordering the posters until approximately 2008? 14
- I don't recall exactly, but about 2007/2008. 15 Α.
- 16 When you took over full time in the restaurant in 2008, did
- 17 you become responsible for ordering the workplace posters?
- 18 Since Mr. Pena left, yes. Α.
- 19 Now, I'm going to focus on this time period from April 2005
- 20 until 2008, when you took over.
- 21 Α. Yes.
- 22 You were not responsible for putting up the posters either,
- 23 in the restaurant, correct?
- 24 Α. No.
- 25 And, in fact, before this lawsuit was filed, you had never

- read these posters, had you? 1
- 2 Α. I didn't.
- 3 You didn't? 0.
- I did not read the whole thing but the contents. 4 Α.

THE WITNESS: For the office, just the office. The employees, they go to clock in there every day and they have the poster just in front of them.

THE COURT: When you read them, did you notice whether they were in English or in Spanish?

THE WITNESS: These posters, they are different kind of posters. The main poster we have about the sexual harassment is, there is line in English and a translation in Spanish, English and Spanish.

THE COURT: Was that true in 2005 and 2007?

THE WITNESS: I don't recall 2005, but since when I start to be there, yes.

THE COURT: It was true when?

THE WITNESS: I'm sorry?

THE COURT: When did you see that?

THE WITNESS: 2007, 2008. Because when we took the restaurant over, they were already there, some posters they were already there. So that's why we didn't order day one; we just refresh it time by time, because this company, they call us with they have update and they say we got new law, do you

- A. I don't know. 6
- 7 Q. And other than these posters, from 2005 to 2008, Remi did

- 10 I'm aware that general manager used to talk about them at

- 12 You were not present at these meetings, were you?
- 13 Α. I'm not present at the meeting.
- 14 THE COURT: When you say "that general manager," you

- THE WITNESS: Mr. Pistorio, yes. Mr. Maggi after him. 16
- 17 Now, you've described an open-door complaint process,

- 19 Excuse me? Sorry. Α.
- 20 You've described an open-door complaint process?
- 21 Yes. Α.
- 22 And this is the process where employees can come to you

- 24 Α. To me or to general manager.
- 25 And when the general manager was Mr. Pistorio they could

- come to Mr. Pistorio, correct? 1
- 2 A. Of course, yes.
- 3 Q. Now, you personally never told the employees of Remi that
- 4 they could come to you with complaints about sexual harassment,

- 6 Α. No.
- 7 Q. And, in fact, no employee has ever come to you to complain

- 9 Α. No.
- 10 And no employee has ever come to you to complain about a

MR. PARKER: Objection.

THE WITNESS: No.

THE COURT: Objection sustained.

- Q. And this conduct that you've heard described, the touching, that's not appropriate in a restaurant, is it?
- A. It's not appropriate anywhere in the restaurant also; yes.

THE COURT: I would slow down because this witness' native language is Italian.

MR. DELANEY: I'll try to slow down, your Honor.

BY MR. DELANEY:

- Q. So, despite the fact that this conduct is not appropriate, you've never received one complaint, you personally have never received one complaint, about this touching in the restaurant,

- 17 THE COURT: Objection overruled.

18 THE WITNESS: No.

- 23 | A. No.
- Q. Now I want to talk about Mr. Sergio Pastor's complaint that

C49kcar3 Delledonne - cross

- 1 A. Yes.
- 2 Q. You received a copy of it at the time?
- 3 A. Yes.
- 4 | Q. And you read it?
- 5 | A. Yes.
- 6 Q. But at the time, you did not believe it concerned any

- 8 | A. No.
- 9 Q. And, in fact, you never talked to Mr. Velandia about the

- 11 A. Not personally.
- 12 | Q. Now, you had Mr. Rosen, your attorney, do the
- 13 | investigation, correct?
- 14 A. Yes.
- 15 Q. But at the time he did this investigation, you were not

- 17 THE COURT: I think you misspoke when you said

- 20 THE COURT: The transcript reads that, in fact, you
- 21 never talked to Mr. Velandia about the allegations Mr. Pistorio

- MR. DELANEY: Sorry.
- 24 BY MR. DELANEY:
- 25 Q. You never talked to Mr. Velandia about the allegations

- Mr. Pastor made in his complaint, did you? 1
- 2 Not personally. Α.
- 3 Now, you had Mr. Reid Rosen, your attorney, do the

- 5 Α. Yes.
- The investigation into Mr. Pastor's complaint? 6 0.
- 7 Mr. Sergio Pastor's complaint, yes.
- 8 At the time of the investigation, you were not aware of who
- 9 Mr. Rosen spoke to, were you?
- 10 Α. No.
- 11 And you yourself did not conduct any other investigation,

- 13 A. No.
- 14 Q. Now I want to talk about the Division of Human Rights

- 16 Α. Yes.
- 17 Now, you were aware of that complaint when it was filed,

- Mr. Pistorio was involved with Mr. Rosen to do it. 2 Α.
- 3 But I'm asking, did you, Mr. Delledonne, direct him? 0.

- 5 Q. And actually my same question for Mr. Sergio Pastor's

- 8 A. No.
- 9 Q. Now, again, at the time Mr. Rosen conducted this
- 10 investigation, you did not know who he spoke to, correct?
- 11 Can you repeat, please?
- 12 Q. At the time Mr. Rosen did his investigation into the
- 13 March 2008 complaint, you did not know who Mr. Rosen spoke to,
- 14 correct?
- 15 Α. No.
- After this complaint was filed, in March 2008 -- I want you 16
- to focus on the time period of March/April 2008. At that time 17
- 18 period, were you aware that the game was going on in your
- 19 restaurant?
- 20 Α. No.
- Did you become aware of that prior to the filing of this 21
- 22 lawsuit?
- 23 A. No.
- 24 Now, at your deposition, you testified that you would fire
- 25 people if you found out they were showing pornographic videos

- 2 Α. Yes.
- 3 Now, would you have also fired people if you found out they

- Would you fire them if you found out they were performing 6

- 8 It depend on which case.
- 9 And what about anal sex, would you have fired them if you
- 10 found out they were having anal sex in your restaurant?
- 11 Α. Same answer.
- 12 Now, you received a copy -- let me rephrase.
- 13 You're aware that Mr. Caravantes filed an amended
- complaint with the Division of Human Rights in 2009, correct? 14
- 15 Α. Yes.
- 16 And you're aware that in that complaint he made allegations
- 17 against Mr. Velandia, correct?
- 18 A. Yes.
- And when you received that complaint, the 2009 complaint, 19
- 20 you did not speak to Mr. Velandia about those allegations, did
- 21 you?
- 22 A. We had no idea what happened, so we had to investigate it
- 23 first.
- 24 Q. My question is: Did you personally speak to Mr. Velandia
- 25 after you received that complaint?

- Α. We didn't know about it. No, I didn't speak with him.
- 2 Did you read the complaint? Q.
- 3 I sure did. Α.
- So you're aware of the allegations that Mr. Caravantes 4 Q.
- 5 made?

- In June 2009, yes. 6
- 7 And at that time, you did not speak to Mr. Velandia about
- 8 those allegations?
- 9 We had to verify the complaint was true.
- 10 Did you speak to Mr. Velandia --Ο.
- 11 Α. No.
- 12 Now, you did speak to Mr. Velandia after this lawsuit was
- 13 filed, correct?
- 14 A. Yes.
- But you did not speak to him about the allegations in the 15
- complaint until six months after it was filed, correct? 16
- 17 Α. About.
- 18 Q. When you spoke to Mr. Velandia, when you had this
- conversation with Mr. Velandia, did he tell you that he had 19
- 20 performed oral sex on Mr. Caravantes?
- 21 Yes, he did. Α.
- 22 Did he tell you about the anal sex?
- 23 Α. Yes, he did.
- 24 Did he also tell you that he was involved in touching other
- 25 employees' genitals?

C49kcar3 Delledonne - cross

- 1 A. No, he did not.
- 2 | Q. And you did not discipline him after this conversation, did
- 3 you?
- 4 A. No. I gave him a second chance.
- 5 | Q. And he is still working at Remi, correct?
- 6 A. Still working.
- 7 | Q. Now I wanted to talk briefly about the tax returns --
- 8 A. Sure, sir.
- 9 Q. -- that you spoke about earlier.
- 10 I believe you testified that Mr. Fritella and
- 11 Mr. Tancredi are no longer members of the 53rd Street Partners

- 13 A. They're not.
- 14 | Q. And they left in early 2011; is that correct?
- 15 | A. Yeah, January 2011.
- 16 Q. Now, as I understand it, the LLC has shares, correct?
- 17 A. That's correct.
- 18 | Q. And when it was formed in April 2005 -- when it was formed
- 19 | in April 2005, you, Mr. Tancredi and Mr. Fritella all had

- 21 | A. Yes.
- 22 | Q. You all had equal shares?
- 23 | A. Yes.
- 24 | Q. And there was a hundred shares, correct?
- 25 A. Yes.

- 5 -- are you now the 100 percent owner of all the shares?
- So far, yes. 6 Α.
- 7 Did they receive anything in exchange for giving back their

- 9 A. No.
- 10 Did they receive any distributions from the LLC when they
- 11 left the LLC?
- 12 A. No distribution.
- 13 Did they receive any other form of compensation from the Ο.
- 14 LLC when they left the LLC?
- 15 Α. No, from the LLC -- from 53rd Street Partners, no.
- Q. Are you aware whether they received any compensation from 16
- 17 anyone in connection with their leaving 53rd Street Partners
- LLC? 18
- 19 They got my partnership in another company.
- 20 So in exchange for them giving back their shares, they were
- 21 now partners in another company?
- 22 They took my part of the other company. Α.
- 23 What company was that? 0.
- 24 Rugfritt LLC, which is Mr. Milano, it's a restaurant called

- 6 | A. Yes, sir.
- 7 | Q. And it was filed by -- some of the plaintiffs in that
- 8 | lawsuit were also plaintiffs in this lawsuit?
- 9 | A. Yes.
- 10 | Q. Now, you settled that case, did you not?
- 11 | A. Yes.
- 12 Q. So you paid compensation to the plaintiffs as part of that
- 13 | settlement?
- 14 MR. PARKER: Objection.
- 15 | A. Yes, sir.
- 16 Q. What year, what tax year --
- THE COURT: I'm sorry, there was an objection, and I
- 18 | didn't rule on it.
- 19 MR. DELANEY: Your Honor, I have limited questions

THE WITNESS: Part of the loss.

THE COURT: What part? A substantial part?

THE WITNESS: I would -- I don't recall now. It was recorded to the books, because I thought that the restaurant -- as far as cash flow, we were already in trouble, so there was some contribution of the partners to pay the settlement. We

MR. DELANEY: Can I get --

THE COURT: I thought all restaurants got cash advances.

THE WITNESS: No, it's -- cash advance, there are problems with different companies; and different companies, most of it, they're loan with a very high interest rate because they -- you know, they take money from the receipt day by day. With American Express, it's different because they do it to help the business, so the rate is just 6 percent. Other company, you go to 15 to 20 percent. It's very expensive, very, very expensive, and if you start to borrow money here or there, you just don't go anywhere.

- You did not lay off any staff? 2 Q.

C49kcar3 Delledonne - redirect Concepts, dated December 29th, 2010. The first page of 339 is a notice pursuant to Rule 45. The subpoena starts on page 2 of Plaintiffs' 339, and the requests are defined on Exhibit A, page 1, under the heading "Documents Requested." THE COURT: All right. MR. DELANEY: So I move Plaintiffs' 339 into evidence in connection with Plaintiffs' 331. THE COURT: All right. Any objection? MR. PARKER: No, I have no objection to the subpoena

being admitted in evidence. I just object to the use of invoices that postdate the events that are involved in the case.

MR. DELANEY: Your Honor, again, it was for the sole purpose for showing the Spanish posters did not appear until after the relevant time period, so for that limited purpose, that's why we're submitting the last page of 331.

(Continued on next page)

THE COURT: I'm going to allow the return. What weight I give to it is another matter. But I'll allow Exhibit 339 in evidence. It contains, as I see it, responsive Personnel Concepts documents attached to it.

MR. DELANEY: No, your Honor. Exhibit B are documents regarding Personnel Concepts that were produced from Remi's files.

THE COURT: Oh, these are from Remi's files?

MR. DELANEY: Yes. We provided Exhibit B to Personnel Concepts so it would be clearer what kind of documents we were requesting. Plaintiffs' 331 --

THE COURT: They were produced from defendants' file?

MR. DELANEY: Correct. The documents that were produced from Personnel Concepts' files were Bates numbered on the bottom, P. Concepts, and those are the documents contained in Exhibit 331, in part. That's not the entirety of the production. It was a 450-page production, but that was what we believed to be the relevant part of P. Concepts' production in response to the subpoena in Plaintiffs' 339.

THE COURT: Thank you for straightening that out.

MR. DELANEY: We have no further questions, your Honor.

THE COURT: All right. You're excused.

THE WITNESS: Thank you very much.

THE COURT: I thought I didn't admit the report.

MR. SAXENA: You did not admit the report, correct, but Dr. Pearson was also not permitted to refer to the report while she was describing the components of her analysis.

Okay. What I reviewed are the psychiatric and mental health and medical records of Mr. Caravantes from various sources, Safe Horizon, a Dr. Cervantes from his primary care physician, from his ophthalmologist, and also from the Karen Horney Clinic, where he was and has been a patient, also records from a recent hospitalization at Payne Whitney, where he was a patient in March for a few days, and also a report by a doctor, a psychologist, Dr. Owen, which was performed in March of this year, the report of Dr. Pearson, which was

THE COURT: All right.

BY MR. PARKER:

- Q. Now, when you saw Mr. Caravantes, what did your time with him consist of?
- A. I conducted a standard routine psychiatric examination which comprised a complete psychiatric history, and a so-called mental status evaluation. Psychiatric history was essentially, consists of gathering data about his past history, including his family history and background, educational, work history, marital and sexual history, social history, past medical, past psychiatric history, substance abuse, if any, and so forth, to get a chronological set of data going back from essentially back to birth to the time I saw him. And then the mental status evaluation, which is an assessment of his thought processes, his mood, his general appearance and demeanor, the presence of any significant psychopathology, and his cognitive processes and so forth.

That comprised the psychiatric examination with one further caveat, and that is that I did spend time addressing the allegations he made in this lawsuit and his information he provided about how he felt that impacted on his functioning and on his mental state.

THE COURT: Are you about to move on to something else?

THE COURT: Be seated.

BY MR. PARKER:

- Q. Dr. Goldstein, before the break, you testified that you conducted on Mr. Caravantes a comprehensive psychiatric examination and, as part of that, you took an in-depth psychiatric history. What does taking an in-depth psychiatric history mean?
- It means that you're gathering data which will, in combination with other material, enable you to make a reliable and valid psychiatric diagnosis.
- What type of background information did you obtain from
- Mr. Caravantes? 15
- In terms of his past history? 16
- 17 0. Yes.
- I learned that he was born in Mexico, into an intact 18 family, that his father died when he was a child, and his 19 20 mother subsequently remarried. He was one of 12 siblings. Не 21 said that he had an average, normal childhood, that he was 22 never physically or sexually abused as a child, that his 23 mother, as I said, remarried and he got along guite well with 24 his stepfather. The family ran or operated a tacos business in

which he worked until the time he came to the States, sometime

in the early -- about 1990 or so. After he came to the States, he worked as a -- by the way, he completed tenth grade in Mexico.

When he came to the States, he worked initially as a dishwasher, a busboy, and came to commence employment at Remi's, back in July of '91. He worked at Remi's in various capacities, initially as a busboy, a delivery boy, a runner, eventually becoming a coffee machine operator, which is the position he held most of the time until he left Remi's in August of 2008.

He married in 1993. He has two daughters -- I'm sorry, three daughters. He indicated he had a normal, average social life prior to the events in question in this lawsuit, that he socialized with friends and family. The significant points that were elicited during my psychiatric history were that Mr. Caravantes alleges that starting in 2005, he was sexually harassed by Mr. Velandia at work. This involved sexual acts, sexual touching, suggestive sexual remarks, that began approximately in 2005 and escalated the following year, 2006, and persisted until the beginning of 2008, approximately, and that these sexual acts consisted of having oral sex and at times anal sex with Mr. Velandia under circumstances that Mr. Caravantes alleged involved some degree of psychological coercion on the part of Mr. Velandia, the situation being, in simple terms, as follows: That Mr. Caravantes believed his job

may have been in jeopardy, that Mr. Velandia wielded a good degree of power and influence at the restaurant because he was the so-called right hand of the general manager, a Mr. Pistorio, and Mr. Caravantes believed that if he failed to submit or go along with the demand for sexual favors that his job might be in jeopardy, he might even be fired, and, secondarily, that there was some desire on his part to be promoted to the position of a waiter, and he alleged that Mr. Velandia promised him that he would assist him or exert his influence to get this promotion to the position of waiter for Mr. Caravantes. So under this alleged situation, Mr. Caravantes said that he engaged in sexual acts with Mr. Velandia, over the course of the next two, two and a half years, as I said, consisting of oral sex and anal sex, according to Mr. Caravantes, on numerous occasions, oral sex being almost daily, he alleged, and anal sex, anal intercourse being somewhat less frequent.

He further alleged that he being neither homosexual nor bisexual found these sexual acts to be repugnant and distasteful and traumatic, but he felt he had no choice because he feared losing his job at the restaurant and, furthermore, wanted to get a promotion, which he felt this would be useful in that regard, and that this continued up until sometime in early 2008, when it became clear to him that he wasn't going to get a promotion, that he was never going to become a waiter,

and so approximately in February of 2008, he says that he told Mr. Velandia that there was going to be no more sexual interaction between them.

Over the next few months, there was some indications that, or he says that he was being retaliated against by Mr. Pistorio and eventually he was fired, he says, in August of 2008.

During this period, he alleged that he suffered a great deal of psychological stress and developed psychiatric symptoms because of the stress he was under in regard to the sexual conduct that he felt he engaged in under duress. didn't seek any mental health treatment during that period, however, until months after the alleged sexual interaction had stopped. He says he had no prior psychiatric history, prior to the events in question, but developed psychiatric symptoms during the course of these sexual encounters and that he sought psychiatric or mental health treatment anyway sometime in the middle of 2008, some counseling at Safe Horizons, saw a psychiatrist once in 2009 for a consultation, and a few months after that began treatment at the Karen Horney Clinic, which is a private psychiatric clinic in Manhattan, where he has been under care for psychotherapy, receiving psychotherapy and psychotropic medications, including an antidepressant and a sleeping medication, ever since.

He has a number of medical conditions, which he

attributes to the stress accompanying the alleged sexual harassment at work, which he claims -- including intermittent chest pains, back pains, headaches, some eye problems, which he says are stress related. He doesn't drink. He doesn't abuse drugs. He apparently has no prior history or involvement with the legal system. He says that since the incidents that he described took place, the aftermath was that he made complaints to the New York State Division of Human Rights on two separate occasions, approximately a year apart and, in September of 2009, commenced this lawsuit for sexual harassment and employment discrimination.

He says that the situation as it evolved not only resulted in psychiatric difficulties requiring treatment, but that it caused difficulties in his marriage, when his wife learned about the sexual activity, the aforementioned homosexual activity with Mr. Velandia, which he says caused marital conflicts. His wife was depressed and angry, threatened or talked about leaving him, and he feared that she might leave and might never forgive him, and that he became increasingly depressed as a result of that and other factors. And as I said, sought treatment.

That was what I learned during the course of my eliciting the psychiatric history.

Now, you also administered a mental status examination of Mr. Caravantes?

- Correct, yes. Α.
- Could you describe how you went about administering a 2 Q. mental status examination? 3
 - Α. The mental status examination is basically carried out through closely observing the individual during the, you know, entire psychiatric exam and observing his demeanor, his posture, his general appearance, the quality and nature of his thought processes, his mood and affect, and asking specific questions at times about particular psychiatric symptoms that are significant, such as depression, anxiety, insomnia, nightmares, flashbacks, hallucinations, delusions, assessing his concentration level, his attention level, his memory, his insight and judgment, feelings about himself in terms of self-esteem, self-image, feelings of guilt or worthlessness, and so forth.

So those are the two components of the psychiatric examination, the psychiatric history and the mental status evaluation, and with the help of collateral information or objective data that may also be available, the goal of all of this process is to reach a psychiatric diagnosis.

- Q. Based upon your review of the materials and your examinations of Mr. Caravantes, do you have an opinion that you hold with a reasonable degree of medical certainty in the field of psychiatry with respect to Mr. Caravantes's condition?
- Yes, I do. Α.

- What is that opinion? 0.
- 2 My opinion, in terms of the psychiatric issues per se, is Α.
- 3 that he's suffering from a clinical depression, specifically
- major depressive disorder, single episode, and of a moderate, 4
- 5 mild to moderate degree. The entity of malingering has to be
- ruled out in this particular case, and that the prognosis would 6
- 7 be guarded or uncertain based on the course of his condition.
- Now you testified that in your opinion, he, Caravantes, 8
- 9 suffers from a mild to moderate major depressive disorder. Can
- 10 you explain what you mean by mild to moderate?
- Well, a major depressive disorder is a serious form of 11
- depression, where it's persistent symptoms of depression and 12
- 13 social withdrawal, insomnia, lowered energy level, impaired
- 14 concentration, perhaps suicidal thoughts, sleep disturbance,
- 15 appetite disturbances, etc., and it can be further
- characterized in terms of mild, moderate, and severe. I 16
- 17 classified it as mild to moderate because Mr. Caravantes,
- although he had most of the symptoms associated with that 18
- condition, was able to function at an acceptable level of 19
- 20 functioning in terms of his occupational functioning throughout
- 21 the worst, allegedly worst, parts of the depression and had a
- 22 fairly good response to psychiatric intervention and treatment.
- 23 So that I felt that the symptoms or the diagnosis was in the
- 24 mild to moderate range rather than the severe range.
 - Did Mr. Caravantes describe as part of your psychiatric

- history the activities he had engaged in professionally, workwise, since leaving Remi?
- Yes, he did. Α.
 - And what did he tell you about that? 0.
 - He told me that after leaving Remi, there was a period of inactivity. He felt that -- he was collecting unemployment for a period of time, was thinking about getting other jobs, was looking for jobs, but nothing came through, and at some point during that period he decided he was going to go back to school and learn a new trade. And so he enrolled in a place called the Apex School of Technology, I believe it's called, in Manhattan, where he took a course of approximately one year in automotive technology, which required attendance approximately 30, 35 hours a week for approximately a year. He completed that course successfully; in other words, was able to maintain the course of study and complete it successfully, get a certificate, even went back for a refresher course at some point thereafter, was able thereafter to look for work, was unsuccessful in getting a job in automotive, as a mechanic or in automotive technology, worked at a couple of jobs as a busboy, and eventually did get a job as a busboy where I think he's currently working today.
 - What, if any, impact on your opinion of his psychiatric condition did the attendance at and completion of the automotive technology curriculum at Apex Business School play?

Well, individuals who are suffering from major depression can function, but generally as they get towards the severe end of the spectrum, their functioning becomes markedly compromised in most areas, socially, occupationally, and other important areas, so, an individual that is able to, you know, sustain enrollment and completion of what sounded like a pretty rigorous and demanding course of study over a year would probably most likely be more towards the mild to moderate end of the spectrum rather than the severe end of the spectrum. That kind of functioning capacity would not be compatible with a severe form of major depression.

Another index of considering whether it was mild, moderate, or severe was his response to treatment, which, at the Karen Horney Clinic, which was the most sustained period of treatment he received, was characterized as that he was improving and responding progressively well to the treatment measures during the time I reviewed the records for. other incidental perspective on that is that entertaining the suspicion of malingering, which often includes an exaggeration of symptoms or a deliberate examination of impairment, has to be taken into account, and that also would discount labeling him as severely impaired considering his level of functioning which contradicted that.

MR. SAXENA: Objection and move to strike the testimony as to a suspicion of malingering to the extent that

THE COURT: I would like to read how the doctor phrased that.

THE WITNESS: I'm sorry, sir?

THE COURT: I just want to read your testimony for a second.

THE WITNESS: Oh.

THE COURT: I think I'll sustain the objection.

BY MR. PARKER:

- Q. Dr. Goldstein, in reviewing Mr. Caravantes's psychiatric condition, what, if any, stressors did you identify with respect to his condition?
- A. Well, there are numerous stressors that are impacting on him or have impacted on him, which would include, first of all, the possible influence of the allegations he's made in this lawsuit about being the target of sexual harassment. certainly can't, it's not my province to reach a conclusion about whether that did or did not happen as he alleges, but that's one possible or potential source of stress, if it did occur as he alleges.

Secondly, there would be the intense feelings of shame and quilt and emotional distress about engaging in homosexual activities for a number of years on hundreds of occasions, considering his insistence that he is neither homosexual nor

bisexual, for whatever reason he engaged in those activities, whether voluntarily, consensually, or under some duress, there would still be a great deal of shame and guilt and distress about it for those reasons. The shame and guilt and distress about it in terms of his own feelings about his own sexual identity, whether or not having done so, having engaged in this pattern of activity, his own doubts about whether he wasn't indeed perhaps a latent homosexual himself.

MR. SAXENA: Objection. I'm sorry. There is no foundation laid as to any sort of sexual identity doubts. Nothing has been testified to that's come out in Dr. Goldstein's assessment of Mr. Caravantes that establishes any doubts as to his sexual identity. So I object on that ground.

MR. PARKER: Your Honor, the question asked the doctor to identify those stressors and he --

THE COURT: But he hasn't testified, as I understand it, that Mr. Caravantes did have or expressed that he had worries about his latent homosexuality.

MR. PARKER: I can ask.

THE COURT: I don't think he's testified to that.

- BY MR. PARKER:
- 23 Dr. Goldstein, what, if anything, did Mr. Caravantes say to 24 you with respect to concerns over sexual identity issues?
- 25 Well, in that regard, he gave me information to the effect

that he insisted a number of times during my examination that he was definitely not homosexual or bisexual. He stated that he was worried that people might think he is because if they found out what happened, he was reluctant to reveal what happened to his wife who, predictably, as he prophesied, had a very negative reaction and said he's dirty and why did you do this and how could you have done this, etc. He had feelings of reluctance to face his relatives and friends and have to talk about or discuss the events that had occurred, so there was a good deal of indication on his part that it was something that he felt very ashamed of, quilty of, and conflicted about, and that inevitably, particularly somebody who is insisting they're not homosexual, who comes from a cultural background that is not favorably disposed to a heterosexual engaging in that kind of activity, leads to a very firm inference that that's something he would be conflicted about. What other, if any, stressors did you determine existed, or that Mr. Caravantes had at the time you examined him? Well, the shame and guilt about the sexual activities that he engaged in, in terms of revealing them and discussing them with his wife, who he feared would have an intense negative reaction to them, which, in fact, she did, became angry and depressed, I think went to see a mental health professional for herself at that time, threatened to leave him, and left him

with the feeling she might well leave him and never forgive him

for what he had done; the stressor of his own feelings of anger and distress about losing or the job being eliminated that he held at Remi's as a coffee machine operator, and losing that position, and also his, in association with that, either his inability or his unwillingness to pursue other job opportunities that were offered to him at Remi's to become a waiter or to advance himself, which led to another stressor, which is what he claims is economic hardship because he lost his job and had trouble relocating at another position, his concerns about his physical health, the health of his youngest daughter who suffers from some sort of esophageal condition which causes worrisome symptoms and might require surgery, and the concern about his mother's health who came to the States about a year and a half ago and required some kind of surgery, and he indicated to me he was very worried about her health as So there are a number of factors that are impinging on his life which could easily, in combination or separately even, account for a depressive type of reaction.

- Doctor, did you have occasion to review the report of Dr. Jessica Pearson?
- 21 Yes, I have. Α.
- 22 Do you recall in that report Dr. Pearson opined a diagnosis 23 of posttraumatic stress disorder?
- 24 Α. Yes.
- 25 Do you agree or disagree with that opinion?

- I disagree completely with that diagnostic assessment. Α.
- And why do you disagree with that assessment? Q.
- 3 Well, there's, there's no basis in science, in psychiatric
- 4 terminology to reach a diagnosis of posttraumatic stress
- 5 disorder in any case where the critical missing ingredient is
- 6 the absence of the requisite type of stress, traumatic stress,
- 7 that is required to make the diagnosis. In posttraumatic
- stress disorder, what is required as a threshold, let's say, is 8
- 9 the presence of an extreme, life threatening, traumatic,
- 10 stressful event which the person is exposed to or experiences,
- 11 which can cause death or serious physical injury or a threat to
- the physical integrity of that individual, and all of those 12
- 13 elements require some sort of physical violent force, not
- 14 merely distaste or repugnance or psychological queasiness about
- 15 the event that occurred. But it has to require actual physical
- violent force, or the threat thereof, to qualify as a traumatic 16
- 17 stressor, without which there can be no traumatic, there can be
- 18 no posttraumatic stress disorder.
- 19 Do you have an opinion within a reasonable degree of
- 20 medical certainty in the field of psychiatry as to whether
- 21 Mr. Caravantes ever suffered from posttraumatic stress
- 22 disorder?
- 23 There's -- yes, I do. Α.
- 24 What is that opinion? Ο.
- 25 He never suffered from posttraumatic stress disorder, and Α.

there's no basis to conclude that he ever did.

- Q. You mentioned in your testimony the question of, or the 2
- 3 factor of the threat of, the threat to one's physical
- 4 integrity. What does that mean in psychiatric terms?
- 5 A. As a term of art, so to speak, it designates physical,
- 6 actual or threatened physical, forceful sexual assault. And,
- 7 in other words, there has to be some sort of physical force
- involved in the either actual sexual assault or the threat of 8
- 9 sexual assault, which was not present in, obviously not present
- 10 in this case.
- 11 In your opinion, as a practicing psychiatrist, can unwanted
- 12 sexual activity provide the basis for a finding of a traumatic
- 13 stressful event sufficient for a posttraumatic stress disorder
- 14 diagnosis?
- 15 Unwanted sexual activity which is not accompanied by
- 16 physical force?
- 17 Yes. 0.
- No, it cannot. 18 Α.
- 19 Now you mentioned earlier Dr. Sanford Drob. Who is
- 20 Dr. Drob?
- 21 Dr. Drob is a clinical and forensic psychiatrist who is on
- 22 the faculty at NYU School of Medicine. He's formerly chief
- 23 psychologist for psychological assessment at NYU-Bellevue
- 24 Medical Center and was a senior psychologist on the forensic
- 25 psychiatry service at Bellevue for many years. He's written a

number of publications on the subject that's involved here in terms of assessing malingering and other clinical issues, and he was, I requested input from him in this case to review the psychological data that Dr. Pearson had relied on.

- And why did you seek Dr. Drob's input on that data?
- Essentially, the way a, you know, an internist would request x-rays to aid him in a diagnosis because he's not a radiologist and can't interpret with any degree of expertise the x-rays, psychiatrists are generally unable to interpret psychological testing; they don't have that expertise or training. And so I needed an evaluation by an experienced psychologist to evaluate Dr. Pearson's conclusions, interpretations of the data, and her findings. And that's why
- 13 14 I requested a consultation with Dr. Drob.
 - Is this the type of analysis that you would regularly rely 0. on in matters involving underlying psychological testing?
 - It's a customary part of my practice in that regard, yes. Α.
 - What specifically did you ask Dr. Drob to do? Ο.
- In the most simple terms, to review Dr. Pearson's report, 19 20 the raw data, the testing data upon which she based her 21 findings and conclusions and to critique, you know, her
- 22 methodology and her method -- her conclusions and
- 23 interpretations.
- 24 And did he do that? Ο.
- 25 Α. Yes.

- Did he write a report?
- 2 Yes, he did. Α.
- 3 Is his report, if you turn to Defendants' Exhibit 50, in
- 4 the book?
- 5 Α. Yes.

- 6 Do you have that in front of you? 0.
- 7 Want me to --Α. Yes.
- 8 Q. Yes, if you turn to tab 50.
- 9 Which volume is that? I'm sorry. Α.
- 10 It should say Defendants' Exhibits on it. Q.
- 11 Α. No. 50?
- 12 Q. Yes, sir.
- 13 Α. Okay. Yes.
- 14 Is that a copy of Dr. Drob's report, dated July 5, 2011? Q.
- Yes, it is. 15 Α.
- Now, you mentioned earlier that in a diagnosis of clinical 16
- 17 depression that one must rule out malingering. Is that
- accurate? 18
- 19 In the diagnosis of -- in many different psychiatric
- 20 diagnoses, when there's litigation involved, malingering has to
- 21 be ruled out, yes.
- 22 Q. What did you find out on review of Dr. Drob's analysis of
- 23 the psychological data accumulated by Dr. Pearson?
- 24 The main points that Dr. Drob concluded or raised and
- 25 discussed in his report were that the two psychological tests

that were administered by Dr. Pearson, the personality assessment inventory, No. 1, and the structured interview of reported symptoms, No. 2, which she concluded showed that her diagnostic assessments of Mr. Caravantes were valid and accurate and that malingering was not present, Dr. Drob, for reasons he explained in detail, took issue with that and found that both tests, the psychological inventory -- psychological assessment inventory and the structured interview of reported symptoms, both raised rather significant issues about the presence of malingering or the likelihood of malingering, for various technical reasons that he goes into detail about, and I can explain, if you wish.

THE COURT: How do you define the term "malingering"? What's encompassed in that term?

THE WITNESS: Malingering is the intentional production of either psychiatric or physical symptoms, or both, or the exaggeration of already present but not quite as severe as the individual would indicate, of psychiatric and/or physical symptoms, or the attribution of those symptoms to a particular causation when the individual knows that they're related to some other causations, deliberately done for the motivation of some external benefit, some external gain, whether it's to get out of something or to get something, in the latter case, perhaps to get compensation from an insurance company or lawsuit. So some external benefit to be gained by

exaggerating or actually feigning those false symptoms that the patient is claiming.

BY MR. PARKER:

Q. Based on your review, do you have an opinion as to whether or not malingering, in this case, can be ruled out by the data that was accumulated by Dr. Pearson in the performance of the psychological tests you've mentioned?

MR. SAXENA: Objection. Dr. Goldstein has already testified that he is not a psychologist and is not in the position to opine on the implications of the testing data, so I don't think he should be permitted to testify in response to that question.

THE COURT: Let me see the question.

MR. PARKER: Your Honor, if I may.

THE COURT: All right. Do you want to reframe the question? Or do you want to argue?

MR. PARKER: No. I wanted to make a response to Mr. Saxena.

THE COURT: Yes.

MR. PARKER: This is really a Rule 703 issue, and Dr. Goldstein already has testified that he regularly relies on the work of other professionals, including psychologists, in analyzing matters such as this. He's testified to Dr. Drob's report, which he received, and Rule 703, I believe, your Honor, squarely addresses this and allows testimony of this nature.

MR. SAXENA: I think Rule 703 allows him to state his conclusions and to rely on the data, but not to act like he's a psychologist and explain the actual details of the data.

THE COURT: He hasn't been asked to state his testimony on the psychology, as I understand it. The question, I think, is permitted under the rule. I'll double-check.

I think that he can rely on it. As he said, he did turn the issue of testing over to Dr. Drob and he did rely on him for his conclusion, so I'm going to allow the question.

MR. PARKER: May I have it read back, please.

THE COURT: All right. You can have it read back.

(Record read)

- Α. Yes, I do.
 - What is that based on? Q.
- Malingering definitely can't be ruled out by Dr. Pearson's 15 Α. 16 testing, no.
 - What is the basis for that opinion?
 - That according to the report from Dr. Drob that I relied on, that Dr. Pearson's findings and conclusions were somewhat misleading and incomplete in the sense that she either discounted or ignored specific findings in the testing protocols that raised a very strong suspicion and a high index
- 24 Q. Based on your review of this matter, did you reach any 25 opinion with respect to the cause or causes of Mr. Caravantes's

psychiatric conditions?

A. Well, as I said, I'd say psychiatric condition rather than conditions because there's no basis to reach any diagnosis of posttraumatic stress disorder, so the only diagnosis in play is major depressive disorder, and there's a plethora of stressors in his life that could account for that, which I enumerated, in addition to his claims, his allegations about alleged sexual harassment.

MR. PARKER: Thank you. No further questions.

Your Honor, we are going to pass out the MR. SAXENA: witness' deposition.

And, your Honor, we're also going to pass out the deposition of Dr. Sanford Drob.

- CROSS-EXAMINATION
- 7 BY MR. SAXENA:
 - Q. OK, Dr. Goldstein, I'd like you first to identify these two deposition transcripts that are in front of you, to the extent that you can, starting with yours.
 - Do you see on the first page, page 1 --
- 12 I'm sorry, I don't have --
- 13 Did you not get -- OK, Dr. Goldstein, I'd like is to start Ο. 14 with your deposition, which is in its own binder. As you see,
- 15 on page 1, the date is September 27th, 2011. Do you see that?
- 16 Yes, I do. Α.
- 17 And do you see your name on the first page, Robert
- Goldstein M.D.? 18
- 19 Α. Yes.
- 20 Do you recognize this as a transcript of your deposition? 0.
- 21 Apparently it is, yes. Α.
- 22 Q. Now I'd like you to look at the other binder quickly. Just
- 23 take a look at page 1. Do you see the date October 14th, 2011?
- 24 Α. Yes.
- 25 Do you see the name Sanford Drob Ph.D.?

Yes.

Α.

1

- I'd like you just to turn to page 6. Q.
- 3 THE COURT: Of which one?
- 4 MR. SAXENA: Of the Drob deposition, your Honor.
- 5 And look at lines 5 through 7. Ο.
- 6 Do you see the text:
- 7 And have you prepared a report?
- "A. I prepared a memo or a report to -- to Dr. Goldstein, 8
- 9 yes"? Do you see that?
- 10 Page 5 lines 5 through 7?
- 11 0. Page 6 lines 5 through 7.
- 12 Α. Yes.
- 13 Do you have any reason to doubt that this is the deposition 0.
- 14 transcript of Sanford Drob?
- A. None whatsoever. 15
- Q. Dr. Goldstein, you just testified with regard to Dr. Drob's 16
- findings that they raise a high index of suspicion that 17
- 18 Mr. Caravantes is malingering; is that correct?
- 19 A. Yes.
- 20 Q. By that term, "high index of suspicion," do you mean a high
- 21 likelihood?
- 22 THE COURT: Is this Dr. Drob's deposition you're
- 23 talking about?
- 24 MR. SAXENA: I'm just asking him about the testimony
- 25 that he just gave, your Honor.

```
1
               THE COURT: What are you asking about?
               MR. SAXENA: I'm asking what he means --
 2
 3
               THE COURT: What page, line, et cetera?
 4
               MR. SAXENA: OK, let's do it this way.
 5
               Just bear with me for a second, your Honor.
6
               Your Honor, I will refer to Dr. Drob's deposition
 7
      testimony in a second, but I just wanted to ask Dr. Goldstein
      about the testimony that he just gave on direct examination.
8
9
               THE COURT: What he just gave us about Dr. Drob?
10
               MR. SAXENA: Yes, that's right.
11
               THE COURT: I'm lost. That's why I'm asking the
12
      question.
13
               MR. SAXENA: I don't actually want to refer to the
14
      deposition transcripts right now. I just wanted to have him
15
      identify them at the beginning of the deposition, that's all.
               THE COURT: He's identified them, as I understand it.
16
17
      I don't understand where you're going, is my problem.
18
               MR. SAXENA: OK.
               THE COURT: I don't understand what you're doing. I
19
20
      have to have a page and line to something, to ground me.
21
               MR. SAXENA: OK, let's do it this way then:
22
     BY MR. SAXENA:
23
      Q. I'd like you to please turn in the defendants' exhibit
24
     binder to Defendants' Exhibit 49, which is your report,
25
      Dr. Goldstein. And please turn to page 14. I'd like you to
```

look at the paragraph numbered 5.

Α. Yes.

1

2

- 3 And I'd like you to look five lines down. Do you see the
- sentence, "There are significant findings (as set forth in 4
- 5 Dr. Drob's report) that suggest that Mr. Caravantes may be
- 6 malingering." Do you see that?
- 7 Α. Yes.
- If you can turn the page, Dr. Goldstein, to page 15, I'd 8
- 9 like you to look at paragraph numbered 7. The last sentence of
- 10 that paragraph reads: "In the context of litigation, there are
- findings that raise a high index of suspicion that secondary 11
- gain (i.e., obtaining financial compensation in this lawsuit) 12
- 13 may be a likely motivating factor in this case."
 - Do you see that?
- 15 Α. Yes.

- So I'd like to ask you, Dr. Goldstein, whether you mean 16
- when you use the phrase "high index of suspicion," that there 17
- is a high probability that Mr. Caravantes is malingering? 18
- I think perhaps we're getting lost in the semantics. 19
- 20 never said that there's a high index -- that he's malingering.
- 21 I said there's a high index of suspicion that he may be or that
- 22 the tests raise a question about a high index of suspicion that
- 23 possible malingering is present. No one's reached a conclusion
- 24 that there's a high index of suspicion that he definitely is
- 25 malingering.

Goldstein - cross

- Q. So, Dr. Goldstein, in this sentence that we are focusing on in paragraph 7, when you use the phrase "high index of
- 3 suspicion, what do you mean?
- 4 A. That there is data obtained by Dr. -- obtained by me also
- 5 | in my psychiatric -- we haven't gone into that -- but in terms
- 6 of Dr. Drob's findings that the psychological testing itself,
- 7 | in contrast to what Dr. Pearson concluded, that they
- 8 demonstrate there is no malingering, Dr. Drob interpreted them
- 9 | to indicate that there is a high index of suspicion that they
- 10 | may indicate malingering.
- 11 | Q. Is a high index of suspicion more than just a mere
- 12 possibility of malingering?
- 13 A. Yes. It's a significant possibility, yes.
- 14 | Q. It's a significant possibility?
- 15 | A. Yes.
- 16 | Q. I'd like you to please open Dr. Drob's deposition
- 17 | transcript and turn to page 100.
- 18 THE COURT: Do we have an exhibit number for this, for
- 19 | the transcript?
- 20 MR. SAXENA: For the binder, Judge --
- 21 | THE COURT: It's a deposition binder?
- 22 MR. SAXENA: Yes, it's a deposition binder.
- 23 THE COURT: OK.
- 24 BY MR. SAXENA:

- 2 MR. SAXENA: Randall, can you please play trial clip

- 13 So, Dr. Goldstein, you are not a psychologist, right?
- 14 Correct. Α.
- 15 Q. And you have not determined that Mr. Caravantes is

- 17 A. Correct.
- 18 Q. And Dr. Pearson has not determined that Mr. Caravantes is

- 20 She concludes that he's not malingering. Α.
- 21 And Dr. Drob has also not determined that Mr. Caravantes is

- Do you understand that that's a test for exaggeration and

- 7 Α. Yes.
- And Dr. Pearson scored the SIRS-2 and concluded that 8

- 11 Α. Correct.
- And Dr. Drob agrees that Dr. Pearson correctly scored the 12

- 14 I wouldn't make that sweeping assertion. He agreed that it
- 15 was in the indeterminate general range, yes. But that other

- 18 Q. Do you know whether Dr. Drob agrees that Dr. Pearson
- 19 properly scored the test?
- 20 Only as I said, insofar as he agreed that the results were
- 21 in the general indeterminate range.
- 22 Q. And Dr. Drob agrees that the indeterminate general range
- 23 means that there is no higher probability of Mr. Caravantes
- 24 malingering than anyone else; isn't that right?
- 25 I believe he called attention to the fact that individuals

Goldstein - cross

- Q. Right, but that's not my question, Dr. Goldstein. 4
- 5 question is: Does Dr. Drob agree that an indeterminate general
- result means that there is no higher probability of 6
- 7 Mr. Caravantes malingering than anyone else?
- I'm not sure about that. 8
- 9 Q. I'd like you to open up Dr. Drob's deposition transcript 10 again.
- 11 THE COURT: I'm sorry?
- 12 MR. SAXENA: Dr. Drob's deposition transcript.

MR. SAXENA: I'm going to go from page 60, line 2 to line 7.

MR. PARKER: Your Honor, I object to the use of the --I don't see a legitimate purpose for using the deposition testimony, this deposition testimony, based upon any testimony that Dr. Goldstein has given. He simply said he's not sure. It doesn't impeach or affect his credibility.

THE COURT: I don't see how I'm going to be able to understand anything from bits and pieces. If you're going to read his testimony or want his testimony given to Dr. Goldstein, that means you have to give a segment of it so it can be put into context. You can't just pick and choose one little bit. I've got to understand the context of what you're trying to get at. And what I see here is, it's in the course of a discussion of a number of factors that the man goes on to explain what he means by these things, what he's trying to say. That's why I'm having trouble understanding what is going on.

MR. SAXENA: OK, Judge. The only purpose I was using it for is the meaning of the result of an indeterminate general score on the test.

THE COURT: He goes on. I see he goes on on page 61 line 16. I don't know what goes on after that.

MR. SAXENA: He goes on in more detail after that, talking about the subscales that Dr. Goldstein mentioned.

We can move on, Judge. That's fine. I won't detain you with that.

- BY MR. SAXENA:
- 4 Q. Dr. Goldstein, you diagnosed Mr. Caravantes with major 5 depressive disorder, correct?
- 6 Α. Yes.
- 7 And as of the last time you saw him, Mr. Caravantes was still suffering from major depressive disorder, right? 8
 - Yes, that's correct. Α.
- 10 And in your opinion, the onset of Mr. Caravantes' major 11 depressive disorder was no later than mid-2008; is that right?
- 12 I don't think I opine when the onset was, because that was 13 difficult to ascertain. I would say, in answer to your
- 14 question, it most likely started before 2008, yes, but I'm not a hundred percent positive about that. 15
- Q. You diagnosed Mr. Caravantes with certain specifiers, 16 17 right, single episode, mild to moderate?
- 18 A. Yes.

THE COURT: What does a single episode mean? 19

THE WITNESS: Exactly, over a period of time.

BY MR. SAXENA:

- Dr. Goldstein, you did not apply the specifier "severe" to
- Mr. Caravantes' diagnosis, correct? 15
- It's not warranted to be termed severe. 16
- 17 Q. And the reason you didn't apply it is because you did not
- 18 find there to be sufficient impairment across multiple periods;
- is that correct? 19
- 20 Α. That was one of the reasons, yes.
- 21 But that is a reason, right? Q.
- 22 THE COURT: One of the reasons.
- 23 And it's your opinion that in order to warrant a "severe"
- 24 label, a person must be impaired in not one but a number of
- 25 important areas of function, including occupational, social and

- marital, right? 1
- 2 I never said that, no. Α.
- 3 You never said that? Ο.
- 4 Α. No.
- 5 Well, do you believe that the label "severe" could apply if
- 6 a person is impaired in only a single area of functioning?
- 7 It could, yes.
- And you found that Mr. Caravantes was not impaired in the 8 Q.
- 9 occupational domain, correct?
- 10 A. He wasn't sufficiently impaired in that area to be
- 11 compatible with a diagnostic impression of severe impairment.
- One of the reasons you found that he was not sufficiently 12
- 13 impaired was that he was able to complete a course at the Apex
- 14 Technical School, right?
- 15 Α. That was one of the bases of that opinion, yes.
- Q. And in addition, he was able to complete a refresher 16
- 17 course, right?
- 18 A. Yes.
- 19 But you never asked him why he needed to take that
- 20 refresher course, did you?
- 21 Α. No.
- 22 Q. And you don't know why he needed to take that refresher
- 23 course, right?
- 24 Α. No.

BY MR. SAXENA:

- O. You have also reviewed Mr. Caravantes' medical records as 10 11 part of your assessment, right?
- 12 Α. Yes, I have.
- 13 And mental health records as well? 0.
- 14 Yes, I have. Α.
- 15 Q. And it's your preference to review as many of the mental
- health records that are available at the time, for any 16
- 17 particular patient, right?
- 18 I would prefer to review all available records, yes.
- And one of the key factors for you in making your diagnosis 19
- 20 of mild to moderate depression was that there were other
- 21 treating or evaluating mental health professionals who also
- 22 made a diagnosis of Mr. Caravantes in the same ballpark as
- 23 yours, right?
- 24 A. Well, I make my own diagnoses, and I compare them to others
- 25 with a grain of salt.

- So you're saying it was not one of the key factors in your 1
- diagnosis, that other mental health professionals had also made 2
- 3 a diagnosis of Mr. Caravantes in the same ballpark?
- Other mental health workers' clinical assessments I take 4
- 5 into account as important but don't feel the necessity of
- 6 adhering to them with as much reliability, let's say, as I
- 7 attach to my own conclusions.
- Q. But you didn't review all the available medical records 8
- 9 before submitting your expert report, did you?
- 10 Α. Yes.
- 11 0. You did?
- 12 All the ones that I have available, yes.
- 13 0. Are you aware of records that were available at the time
- 14 but not provided to you?
- 15 Α. No.
- Did you obtain the medical records from counsel for 16
- 17 defendants?
- 18 From what? I'm sorry.
- From counsel for defendants. 19 Q.
- 20 THE COURT: Where did the medical records come from?
- 21 THE WITNESS: Yes, from the defendant, correct.
- 22 And you submitted your expert report after Dr. Pearson had
- 23 already submitted her expert report, right?
- 24 Α. Correct.
- 25 Did you look at the materials that Dr. Pearson reviewed in

- making her assessment?
- I probably did at the time, but I don't recall the litany 2
- 3 of materials she reviewed at this point.
- 4 Are you aware that she reviewed the Karen Horney Clinic
- 5 records?

- 6 I believe she did, yes.
- 7 But you did not review those records before submitting your
- 8 expert report, right?
- 9 No, I saw them afterwards.
- 10 So you were not aware, at the time that you submitted your
- 11 expert report, that Mr. Caravantes had been diagnosed with
- 12 major depressive disorder with a severe specifier?
- 13 Not specifically at that time, no. Α.
- 14 Do you know who Martina Caravantes is? Q.
- Martina Caravantes? 15 Α.
- 16 0. Yes.
- 17 I'm not sure. Perhaps it's the wife of Mr. Caravantes.
- 18 She is the wife of Mr. Caravantes; is that your response? 0.
- I said I'm not sure. 19 Α.
- 20 THE COURT: He said perhaps.
- 21 So you don't know? Q.
- 22 Not with a hundred percent reliability, no.
- 23 But you found that one of Mr. Caravantes' social
- 24 relationships that was impaired was his marital relationship,
- 25 right?

ar5 Goldstein - cross

- A. Based on what he related to me and what was contained in some of the records, that's correct.
- 3 Q. But you never interviewed his wife?
- 4 A. No.
- 5 | Q. Are you aware that his wife has given deposition testimony?
- 6 A. Yes, I am.
- 7 | Q. Have you reviewed that deposition testimony?
- 8 | A. No.
- 9 Q. Were you provided with that deposition testimony?
- 10 | A. No.
- 11 Q. But you did review the deposition testimony of Jose Ortiz,
- 12 || right?
- 13 | A. Yes.
- 14 | Q. And you did review the deposition testimony of Oscar
- 15 | Velandia, right?
- 16 A. Correct.
- 17 | Q. Would you consider it appropriate to apply the severe
- 18 specifier in a diagnosis of major depressive disorder to a
- 19 patient who had such intense and pervasive emotional upset that
- 20 he had to be institutionalized?
- 21 A. That, in the absence of certain other factors, might be a
- 22 | quide to making such a determination, yes.
- 23 | Q. Are you aware of whether Mr. Caravantes has been
- 24 | institutionalized?
- 25 A. I believe on the eve of trial he was, yes.

- I believe that was the factor that triggered his admission, 6
- 7 yes.

- In your opinion, Mr. Caravantes cannot be diagnosed with 8 Q.
- 9 PTSD because he does not claim to have been sexually assaulted
- 10 in a violent or forceable manner, right?
- A. Based on the criteria for PTSD that the American 11
- 12 Psychiatric Association has established, that's correct.
- 13 Q. Well, it's your testimony that there is no basis to reach a
- 14 PTSD diagnosis where the requirement of a traumatic stressor is
- 15 absent, right?
- That would be inherent in the diagnosis, that there has to 16
- 17 be the requisite traumatic stressor.
- 18 Q. So you can never reach a PTSD diagnosis without a traumatic
- 19 stressor that qualifies under criterion A; is that correct?
- 20 Anyone that uses the correct diagnostic criteria could not,

1 MR. PARKER: Is Mr. Saxena going to complete that sentence or just end the question in mid-sentence? 2 3 "Even if the last stressor does not meet all the elements 4 of criterion A." I apologize. 5 THE COURT: I think you should read the full 6 paragraph. 7 "The more vulnerable victim, the less severe is the stressor needed to precipitate PTSD (Simon 1995). The records from Horney I reviewed had no effect, in terms of causing me to change or alter any of my opinions or conclusions in this case.

THE COURT: Why not?

THE WITNESS: I'm sorry, sir?

THE COURT: Why not?

THE WITNESS: Because they were consistent with what I viewed as the major depressive disorder that Mr. Caravantes has suffered from, dating back to at least 2008; the diagnosis and treatment for that condition was appropriate. And apparently he was responding favorably to that treatment for major depressive disorder.

THE WITNESS: Well, based on Mr. Caravantes' extremely favorable response to treatment at Payne Whitney recently, and based on the information that seemed to suggest that the stress of this litigation and going to trial has had a negative impact on his condition, I would suggest that once the litigation is over and the stress of litigation has been removed, that there's a very good chance his condition will improve substantially and the need for further treatment will be rather brief. THE COURT: What do you mean by that --THE WITNESS: I mean that --THE COURT: -- by "brief"?

THE WITNESS: I mean that he should probably be maintained on medication and have some sort of supportive psychotherapy for an additional period of perhaps three to six months, to monitor his condition and ensure that he's returned to a stable, normal level of functioning.

MR. PARKER: No further questions.

THE COURT: Did I raise something that you wanted to address?

MR. SAXENA: No recross.

THE COURT: No recross?

Thank you, Doctor.

THE WITNESS: OK, thank you.

THE COURT: All right.

1 (Witness excused)

THE COURT: How many more witnesses do you have?

MR. SAXENA: We have another witness, Judge. She should be very quick. It's Dr. Michele Paludi.

MR. DELANEY: I know you have something after, your Honor --

THE COURT: I've got more than one.

MR. DELANEY: She's come from Upstate New York, and she's not available to us again for the rest of the week.

THE COURT: How long will she be?

MR. SAXENA: The direct will be very short. only one thing to cover.

THE COURT: Rebuttal witness? I see Mr. Parker is up.

MR. PARKER: I'm up because --

THE COURT: Because I'm raising the question?

MR. PARKER: No, Judge. I'm up because we have an in limine motion on this witness, and I have several issues with -- I don't know what the direct is going to encompass, but I have several issues with statements in the report that this proposed expert submitted. Again, I don't know what they're going to ask --

THE COURT: Where does she come from? I'm Upstate. Where does she come from.

MR. SAXENA: She's from Schenectady, Judge, pretty far Upstate.

THE COURT: I know where it is. (Pause) THE COURT: I've got two pleas here. They're going to take some time, and I've got to get them in. MR. DELANEY: Your Honor, I think given your time constraints, I'm not sure that we can be fair to everyone, including the witness and Mr. Parker, to try to rush it in 15, 20 minutes. THE COURT: I think it would be better if you set it for tomorrow morning and we can start at 9:30. So let's break and get to these pleas. Also I have to take a break, so it will be delayed anyway.
